

COUNCILLOR REPRESENTATION

5 October 2017

BH2016/01673 – 79-81 Ditchling Road, Brighton

Dear Cliona,

Having now had conversations with both Wayne Nee and Caroline Lucas's office, I understand that the sticking point, ie noise nuisance to nearby residents, has now been addressed by Hyde Housing having fulfilled their obligations in this regard by dealing with noise ingress through air vents, and installing triple glazing to windows overlooking the courtyard. Caroline Lucas's office has confirmed that they have not received any noise complaints for some considerable time. I also understand from a meeting some months ago with Mr de Souza from The Druids Arms, that the courtyard is closed at a reasonable time.

I am therefore writing to confirm that a) I do not wish to speak at Committee, and b) for the reasons stated above, I wish to withdraw my objection.

Kind regards

Lizzie
