## Notes

↑ - position improved since previous month   ⇔ - position similar to previous month   ↓ - position worse than previous

month.

Superscript <sup>1</sup> denotes 2005/06 baseline. Superscript <sup>2</sup> denotes 2004/05 baseline. Superscript <sup>3</sup> denotes baseline is related to same month in 2005/06.

\* Calculated as the number of crimes in same month of the previous year reduced by annual reduction target

\*\* Low rank = good performance. Data relate to most recently available three month period for crime data and the most recently available 12 month period for detections data. Ranking can range between 1 and 15 since there are 15 members in the benchmarking groups. Brighton & Hove's Most Similar CDRP group is used for crimes; Brighton & Hove's Most Similar BCU group is used for detections.

# 'Acquisitive Crimes' comprise: theft from vehicle, theft of vehicle, theft from person, domestic burglary, burglary other than dwelling, personal robbery, business robbery, and shop theft

## % change compared to same period in 2005/06
