<b>Report of</b>	Programme Director Health and Social Care
<b>Subject</b>	Response to Shaping the Future of Services in Sussex for Mental Health, Learning Disability and Substance Misuse Services document
<b>Wards affected</b>	All

### **Financial implications**

The financial implications will be evaluated via the formal consultation process.

*Finance Officer consulted: Catherine Vaughan 17/03/05*

### **Legal implications**

As this report is for noting only regarding the informal discussion phase, there are no specific legal implications which arise save to remind the PCT who are managing the consultation process of the need to ensure that consultation is pitched at a level which is appropriate for the vulnerable service users involved and, in terms of human rights considerations to review the need for advocacy services. Further specific legal implications of the options proposed will need to be evaluated during the consultation process.

*Lawyer consulted: Hilary Priestley 6/04/05*

<b>Corporate/Citywide implications</b> This will be made explicit through the formal consultation process.	<b>Risk assessment</b> This will be made explicit through the formal consultation process.
<b>Sustainability implications</b> None	<b>Equalities implications</b> This process impacts on people with mental health problems, learning disabilities and substance misuse.
<b>Implications for the prevention of crime and disorder</b> None
