

**Brighton & Hove
City Council**

COUNCIL ADDENDUM

4.00PM, FRIDAY, 22 JANUARY 2021

VIRTUAL

ADDENDUM

ITEM		Page
81	FIELD OFFICERS	5 - 6

Amendment proposed by Councillor Barnett

CONSERVATIVE GROUP AMENDMENT**FIELD OFFICERS**

That the motion be amended to insert the text as shown in ***bold italics*** and delete the text as struck through.

This Council

1. Seeks urgent confirmation that all 7 FTE Field Officer positions are now filled as set out at TECC Committee on 19th November 2020;
2. Requests assurance that social housing tenants will not be charged for the Field Officer service through the Housing Revenue Account during periods of nonservice through the summer;
3. Notes that a report on the Field Officer programme ~~will~~ **was** be presented at TECC Committee ~~in~~ **on 14th January 2021, after this Notice of Motion was originally scheduled to be discussed;** and
4. Calls for ~~the~~ **a further report at the next meeting of TECC** to include (i) a full explanation as to why only 2.5 of the 7 FTE Field Officer positions were filled during the summer and (ii) proposals to address concerns over the effectiveness of the service generally with respect to remit, hours of operation, ~~and~~ allocated resources, **and ability to respond urgently to unfolding incidents.**

Proposed by: Cllr Barnett

Seconded by: Cllr Nemeth

Recommendation if carried to read:

This Council

1. Seeks urgent confirmation that all 7 FTE Field Officer positions are now filled as set out at TECC Committee on 19th November 2020;
2. Requests assurance that social housing tenants will not be charged for the Field Officer service through the Housing Revenue Account during periods of nonservice through the summer;
3. Notes that a report on the Field Officer programme was presented at TECC Committee on 14th January 2021, after this Notice of Motion was originally scheduled to be discussed; and
4. Calls for a further report at the next meeting of TECC to include (i) a full explanation as to why only 2.5 of the 7 FTE Field Officer positions were filled during the summer and (ii) proposals to address concerns over the effectiveness of the service generally with respect to remit, hours of operation, allocated resources, and ability to respond urgently to unfolding incidents.
