Key Considerations in the Application

- Existing condition allows the public house within the approved development to open between 9:00 - 23:30 Mondays to Sundays including bank or public holidays
- The application seeks to vary the hours to 9:00 - 00:30 Mondays to Sundays including bank or public holidays
- Impact on Amenity

Conclusion and Planning Balance

- No concerns were raised on the original 2019 application in relation to the impact of the public house on nearby residential amenity
- The proposed hours of opening would be the same as the opening hours of the previous public house on the site and nearby public houses.
- Environmental Health have not raised any concerns.
- There would be no material impact on the previously approved scheme
