Key Considerations in the Application

- Principle of development
- Design, Appearance and Layout
- Residential Amenity
- Highways / Transport Issues
- Sustainability

Conclusion and Planning Balance

- The number, layout, form and finish of the proposed dwellings is considered appropriate.
- Acceptable impact on the amenities of adjacent occupiers.
- Each property would provide an acceptable standard of accommodation.
- Subject to conditions, the development is appropriate in terms of impact on highways and arboriculture.
- **Recommend: Approve**
