Key Considerations

- Principle of development
- Design and appearance
- Impact on neighbouring amenity
- Standard of accommodation
- Sustainable transport

Brighton & Hove
City Council

Conclusion and Planning Balance

- Contribution of 2no. new dwellings towards housing supply
- More efficient use of an existing site (paras. 122 and 123 of NPPF)
- Additional storey would not disrupt the stepping up in scale of buildings from east to west and would sit comfortably in streetscene
- Detailed design considered acceptable
- No concerns regarding impact on neighbouring amenity or sustainable transport matters

Approval therefore recommended.
