Key Considerations in the Application

- Planning History
- Design and appearance
- Impact on amenity
- Standard of accommodation
- Impact on highways

Conclusion and Planning Balance

- This application addresses the previous reasons for refusal.
- The new dwelling would form an acceptable addition that would not harm the character of the surrounding area.
- The new dwelling would provide an acceptable standard of accommodation.
- There would be no significant harm to neighbouring amenity.
- There is no objection on highway grounds.
- The application is therefore recommended for **approval**.
