The Wildlife corridor is now recognised and contains two LWS's.</i></p> <p><i>We know from The Sussex Biodiversity Record centre that there are many species of flora and fauna in this area including where this site is located some of which are rare.</i></p> <p><i>The incorporation of integral garages will also allow a revised site plan which is designed to free up land to the north corner of the plot, for possible further development.</i></p> <p><i>Should the decision be to grant this planning application under delegated powers , I wish this planning application to go to the planning committee and reserve my right to speak.</i></p> <p><i>Kind regards.</i> <i>Mary</i> <i>Councillor Mary Mears</i> <i>Conservative Member of Rottingdean Coastal Ward"</i></p>
112	Item G: 79 Goldstone Crescent, Hove.	BH2021/02943	<p>Comment from Councillor Bagaeen not attached to report:</p> <p><i>"I am writing in regarding the application in the subject line and having visited house X [redacted] on Goldstone Crescent earlier today. This application is for a major extension of house 79 next door and the way I see it, in addition to the historic issues around access, boundary wall, and rain falling off the roof at house 79 onto house X [redacted] there is a duty on us as an authority to ensure that in determining this application, no harm befalls the elderly couple at house X [redacted]. You'll see from the pictures the very tight space between the two houses as one cause for immediate concern.</i></p>

			<p><i>It would be good if Jack is able to go out to take a look himself.</i></p> <p><i>Please also note that I have called this application to committee in case the applicant and his neighbours cannot come to an agreement on the boundary issues. I'd also like to see detailed sections showing the boundary and the extent of works to be undertaken alongside photomontages of the extension which the portal says are there but are not unfortunately.</i></p> <p><i>Many thanks, Samer"</i></p>
