Key Considerations in the Application

- Principle of development
- Impact on West Hill Conservation Area
- Impact on amenity
- Transport matters

Brighton & Hove
City Council

Conclusion and Planning Balance

- Principle of short-term holiday use acceptable, subject to conditions;
- External alterations would not harm the character and appearance of West Hill conservation area.
- Impact on neighbours considered acceptable, subject to conditions limiting occupation of the holiday let to two persons.
- Parking restrictions would prevent visitors affecting on-street parking – and within easy reach of Brighton Station, bus links.
- **Recommend: Approval.**
