Key Considerations in the Application

- Design and Appearance
- Impact on Amenities
- Impact on Highway Safety
- Impact on Heritage Assets

Conclusion and Planning Balance

- The beach huts make a positive economic impact on the area that outweighs the harm to the visual amenities of the site if considered for a temporary period.
- Highway safety is not considered to be detrimentally impacted on to any significant degree.
- The impact on the amenities of local persons is not considered to be significant.
- Competition between commercial operators is not a material planning consideration.
