16	TO CONSIDER AND DETERMINE PLANNING APPLICATIONS	1 - 2

6th July 2022 Planning Committee – Additional Representations

Page	Site Address	Application No.	Comment
Item D	7 Deans Close	BH2021/03806	<p>One further letter of <u>objection</u> has been received, on the grounds of overdevelopment and traffic/highways and that the extension of the close will become congested with vehicles restricting access to fire tenders in an emergency.</p> <p>Officer response: Such objections are already reported and addressed in committee report. Issues regarding fire safety are outside of the planning remit and would be dealt with by Building Regulations</p>
Item E	24 The Drove	BH2021/04500	<p>Change of measurement At paragraph 9.20 of the “Impact on Amenity” section of the officers report it states.</p> <p>This would be separated from the properties to the west of the site by an alleyway which has a width of 0.6m which would provide some visual separation from the rear boundaries of the Tivoli Crescent properties.</p> <p>However, this is incorrect, and the correct measurement and report should have stated that the distance is 1.2m.</p>
