Brighton & Hove City Council

Environment, Transport & Sustainability Committee

Agenda Item 42(d)(1)

Subject: Underground superbins – Notice of Motion
Labour Group Amendment

Date of meeting: 15 November 2022

That the relevant changes are made to the motion as shown below in strikethrough and ***bold italics***:

This Committee:

- 1) Notes concerns of residents and businesses regarding the state of the city, including unsightly and graffitied communal rubbish bins, often overflowing litter, that attract rats;
- 2) Notes the recent ***successful*** roll-out of Underground Super-bins ***by the Labour Council in Liverpool*** elsewhere in the UK, which can hold up to 5,000 litres of waste in containers below the street level, ***are capable of eliminating issues associated with wheelie and communal street bins such as rats, flies and litter, and have the potential to help local authorities work towards building 'Zero Waste Cities'*** and;
- 3) Calls for a report into whether Underground Super-bins could be a solution to some of the waste problems Brighton & Hove, ***and how Brighton & Hove could work towards becoming a 'Zero Waste City'***.

Proposed by: Cllr Wilkinson

Seconded by: Cllr Appich

As amended:

- 1) Notes concerns of residents and businesses regarding the state of the city, including unsightly and graffitied communal rubbish bins, often overflowing litter, that attract rats;
- 2) Notes the recent successful roll-out of Underground Super-bins by the Labour Council in Liverpool, which can hold up to 5,000 litres of waste in containers below the street level, are capable of eliminating issues associated with wheelie and communal street bins such as rats, flies and litter, and have the potential to help local authorities work towards building 'Zero Waste Cities' and;
- 3) Calls for a report into whether Underground Super-bins could be a solution to some of the waste problems Brighton & Hove, and how Brighton & Hove could work towards becoming a 'Zero Waste City'.

Environment, Transport & Sustainability Committee

Agenda Item 42(d)(2)

**Subject: Public Toilets – Notice of Motion
Labour Group Amendment**

Date of meeting: 15 November 2022

That the relevant changes are made to the motion as shown below in strikethrough and ***bold italics***:

This Committee:

- 1) Notes concerns from across the community about the sudden closure of 17 public toilet sites in the city;
- 2) ***Expresses concern that a report was not brought to committee before decisions were made about closures with regard to toilets not closed temporarily for refurbishments;*** ~~Recognises that the root cause of the closures is the Administration's policy of insourcing the public toilet maintenance on 1st February 2022, cancelling a 10-year maintenance contract that had been signed with Healthmatic in 2017; and~~
- 3) ***Recognises that genuine consultation with ward councillors, local residents associations and stakeholders is required before any further closures are implemented;***
- 4) ***Restates the request at Full Council in July for alternative provision to be made available whilst refurbishment work is undertaken in locations that continue to be heavily used during the winter months, such as Hove Promenade, and requests officers consider interim measures including but not limited to the provision of portaloos;***
- 5) ***Requests officers:***
 - a. ***engage with local businesses to see if their toilets can be made available for public use***
 - b. ***ensure adequate signposting to these alternative facilities is provided***
- 6) ~~3)~~ ***Calls for an urgent report that considers all options to re-open public toilets at the earliest possible opportunity.***

Proposed by: Cllr Platts

Seconded by: Cllr O'Quinn

Recommendations to read if carried:

- 1) Notes concerns from across the community about the sudden closure of 17 public toilet sites in the city;
- 2) Expresses concern that a report was not brought to committee before decisions were made about closures with regard to toilets not closed temporarily for refurbishments;
- 3) Recognises that genuine consultation with ward councillors, local residents associations and stakeholders is required before any further closures are implemented;
- 4) Restates the request at Full Council in July for alternative provision to be made available whilst refurbishment work is undertaken in locations that continue to be heavily used during the winter months, such as Hove Promenade, and requests officers consider interim measures including but not limited to the provision of portaloos;
- 5) Requests officers:
 - a. engage with local businesses to see if their toilets can be made available for public use
 - b. ensure adequate signposting to these alternative facilities is provided
- 6) Calls for an urgent report that considers all options to re-open public toilets at the earliest possible opportunity.

Brighton & Hove City Council

Environment, Transport & Sustainability Committee

Agenda Item 49

Subject: Air Quality Action Plan 2022 Consultation Results
Labour Group Amendment

Date of meeting: 15 November 2022

That the relevant changes are made to the recommendations as shown below in strikethrough and ***bold italics***:

Recommendations

- 2.1 That the committee welcomes the inclusion of more ambitious targets in the Air Quality Action Plan for the protection of human health, which will work towards World Health Organisation guidelines (2021).
- 2.2 That the committee approves the 2022 Air Quality Action Plan in Appendix 2 of this report.
- 2.3 That the committee welcomes the continued work and investment to develop an expanded Ultra-low Emission Zone for the city.
- 2.4 That the committee requests officers ~~research further how to prioritise~~ the development and delivery of a citywide Smoke Control Area ~~to~~ ***could*** help tackle the harmful effects of particulate matter ***in the areas where there is currently no Smoke Control Area, and that officers ensure that advice is provided to residents on the council website on how best to manage solid fuel heating where they do have it to supplement heating, including referring people to the East Sussex Fire and Rescue Service for a free home visit if they have concerns.***
- 2.5 The committee welcomes the promotion of active travel and public transport as means to reduce emissions and improve local air quality.

Proposed by: Cllr Appich

Seconded by: Cllr Wilkinson

Recommendations to read, if carried:

- 2.1 That the committee welcomes the inclusion of more ambitious targets in the Air Quality Action Plan for the protection of human health, which will work towards World Health Organisation guidelines (2021).
- 2.2 That the committee approves the 2022 Air Quality Action Plan in Appendix 2 of this report.

- 2.3 That the committee welcomes the continued work and investment to develop an expanded Ultra-low Emission Zone for the city.
- 2.4 That the committee requests officers research further how the development and delivery of a citywide Smoke Control Area could help tackle the harmful effects of particulate matter in the areas where there is currently no Smoke Control Area, and that officers ensure that advice is provided to residents on the council website on how best to manage solid fuel heating where they do have it to supplement heating, including referring people to the East Sussex Fire and Rescue Service for a free home visit if they have concerns.
- 2.5 The committee welcomes the promotion of active travel and public transport as means to reduce emissions and improve local air quality.

Environment, Transport & Sustainability Committee

Agenda Item 50

Subject: Elm Grove Pavement Parking Ban
Labour Group Amendment

Date of meeting: 15 November 2022

That the relevant changes are made to the recommendations as shown below in strikethrough and ***bold italics***:

Recommendations

- 2.1 That Committee agrees to ***explore alternative parking provisions for Elm Grove residents (as detailed in 2.3) and report back to this committee before*** proceeding directly to the advertisement of a Traffic Regulation Order.
- 2.3 ***That Committee requests officers to explore the implementation of alternative parking provisions for residents of Elm Grove, including but not limited to on-street angle/echelon parking bays which could form part of a Controlled Parking Zone.***

Proposed by: Cllr Wilkinson

Seconded by: Cllr Appich

Recommendations to read, if carried:

- 2.1 That Committee agrees to explore alternative parking provisions for Elm Grove residents (as detailed in 2.3) and report back to this committee before proceeding directly to the advertisement of a Traffic Regulation Order.
- 2.2 That Committee agrees that the Elm Grove Pavement Parking Ban replaces the Roedean area in the Parking Scheme Priority Timetable as highlighted in Appendix A.
- 2.3 That Committee requests officers to explore the implementation of alternative parking provisions for residents of Elm Grove, including but not limited to on-street angle/echelon parking bays which could form part of a Controlled Parking Zone.

Brighton & Hove City Council

Environment, Transport & Sustainability Committee

Agenda Item 51

**Subject: Pedestrian Crossing Priority Programme 2023/2024
Conservative Group Amendment**

Date of meeting: 15 November 2022

That the relevant changes are made to the recommendations as shown below in strikethrough:

Recommendations

- 2.1 That Committee agrees the new Pedestrian Crossing Priority Programme listed in Appendix 2 ***and requests a dedicated report to consider what else should be provided at the Hangleton Way Schools Zone to improve the safety of pedestrians.***

Proposed by: Cllr Nemeth

Seconded by: Cllr Bagaeen

Recommendations to read, if carried:

- 2.1 That Committee agrees the new Pedestrian Crossing Priority Programme listed in Appendix 2 and requests a dedicated report to consider what else should be provided at the Hangleton Way Schools Zone to improve the safety of pedestrians.
- 2.2 That Committee agrees that officers can commence the identified locations in the Pedestrian Crossing Priority Programme top 10 priority list identified at table 1 in this report

Brighton & Hove City Council

Environment, Transport & Sustainability Committee

Agenda Item 53

Subject: Cycle Hangars TRO-21-2022
Conservative Group Amendment

Date of meeting: 15 November 2022

That the relevant changes are made to the recommendations as shown below in strikethrough:

Recommendations

- 2.1 That the Committee, having taken account of all duly made comments and representations, approve the following cycle hangar locations be installed; Cissbury Road (hangar 2), Clermont Terrace (hangars 1&2), Chesham Street (hangar 2), Kingsley Road (hangars 1&2), ~~St Leonards Road (hangars 1&2)~~ and Islingword Place hanger 1.

Proposed by: Cllr Nemeth

Seconded by: Cllr Bagaeen

Recommendations to read, if carried:

- 2.1 That the Committee, having taken account of all duly made comments and representations, approve the following cycle hangar locations be installed; Cissbury Road (hangar 2), Clermont Terrace (hangars 1&2), Chesham Street (hangar 2), Kingsley Road (hangars 1&2) and Islingword Place hanger 1.
- 2.2 That the Committee agree officers do not install cycle hangers, at the following locations: Franklin Street (hangar 1), Burton Villas, The Drive (hangar 1) and Dudley Road. Alternative locations will be found for these due to technical reasons or indicated lack of support through the consultation phase.
- 2.3 That the Committee notes the financial implications to parking income per year outlined in the report and the ways that officers will identify and then look to mitigate future losses.

Brighton & Hove City Council

Environment, Transport & Sustainability Committee

Agenda Item 54

Subject: Real Time Passenger Information System
Officer Amendment

Date of meeting: 15 November 2022

Ward(s) affected: All

That the relevant changes are made to the recommendations as shown below in bold italics and as strikethrough:

- 2.1 That Committee authorise the procurement of a new Real Time Passenger Information System ~~contract for maintaining and improving the RTPI system should be developed, tendered, and awarded as follows:~~
- ~~1. The contract will be let for a 5-year period with a possible extension of 2 years taking the possible total contract period to 7 years.~~
 - ~~2. The contract will consist of 2 lots. • Lot 1: Back office supply and maintenance • Lot 2: New and replacement Signs~~
- 2.2 ***That Committee delegates authority to the Executive Director Economy, Environment & Culture to extend the contract, subject to satisfactory performance.***

Recommendations to read if carried:

- 2.1 That Committee authorise the procurement of a new Real Time Passenger Information System for a 5-year period with a possible extension of 2 years.
- 2.2 That Committee delegates authority to the Executive Director Economy, Environment & Culture to extend the contract, subject to satisfactory performance.
