## AGENDA

### 16 PROCEDURAL BUSINESS

- (b) **Declarations of Interest:**
  - (a) Disclosable pecuniary interests;
  - (b) Any other interests required to be registered under the local code;
  - (c) Any other general interest as a result of which a decision on the matter might reasonably be regarded as affecting you or a partner more than a majority of other people or businesses in the ward/s affected by the decision.

In each case, you need to declare

- (i) the item on the agenda the interest relates to;
- (ii) the nature of the interest; and
- (iii) whether it is a disclosable pecuniary interest or some other interest.

If unsure, Members should seek advice from the committee lawyer or administrator preferably before the meeting.

- (c) **Exclusion of Press and Public:** To consider whether, in view of the nature of the business to be transacted or the nature of the proceedings, the press and public should be excluded from the meeting when any of the following items are under consideration.

*Note: Any item appearing in Part Two of the agenda states in its heading the category under which the information disclosed in the report is exempt from disclosure and therefore not available to the press and public.*

*A list and description of the exempt categories is available for public inspection at Brighton and Hove Town Halls and on-line in the Constitution at part 7.1.*

### 17 PRESENTATION(S)

There will be a presentation before proceeding to the formal business of the meeting by representatives from Citizens Online:

Richard Denyer-Bewick - Partnership Manager and Citizens on Line; and  
Judith Field – Local Project Co-Ordinator

**Digital Brighton and Hove:**

Digital Brighton & Hove is part of the national [One Digital](#) Programme, which is funded locally by the Big Lottery Fund, Brighton & Hove City Council and BT. Since the start of this year, it has established an active Partnership Network of local public, voluntary and private organisations working together to promote digital inclusion: ensuring people are able to access and use technology and the internet.

The presentation will focus on how Digital Brighton and Hove tackles inequalities by helping residents improve their digital skills, confidence, independence, wellbeing and financial capability and will include details of “lessons learned” so far about digital inclusion.

The project uses an evidence based approach to target specific neighbourhoods and demographic groups at most risk of exclusion.

Following the presentation(s) and the opportunity to ask questions it is intended that there will be short break before proceeding to the further business of the meeting.
