Fuel Poverty & Affordable Warmth Strategy 2016-2020

Consultation Report

Stakeholder Consultation Workshop

A wide range of individuals and organisations from the community and voluntary sector, the NHS, emergency services and within the Council were invited to attend a consultation workshop. The workshop was held at the Brighthelm Centre on 7th January 2016. Invitees and attendees were also offered the opportunity to discuss the strategy and issues separately to the consultation event.

The consultation workshop was attended by 29 people from the following organisations;

Brighton & Hove City Council (BHCC) –	Citizens Advice Bureau
Public Health	
BHCC – International & Sustainability	AgeUK Brighton & Hove
Team	
Brighton & Hove Food Partnership	Specialist Older Adults Mental Health
	Service

The Fed Centre for Independent Living	

Attendees received a presentation on fuel poverty, excess winter deaths and the health risks of cold homes in both the national and local context. The attendees were then asked to discuss and feedback on a series of consultation questions framed around some broad draft strategic objectives;

Objective 1	Increase the energy efficiency of the City's housing stock
Objective 2	Support residents struggling to pay their energy bills
Objective 3	Improve awareness and understanding of fuel poverty for residents in all tenures
Objective 4	Work together to tackle fuel poverty through partnership and learning
Objective 5	Increase Effective targeting of vulnerable fuel poor households
Objective 6	Maximise resources and opportunities for tackling the causes of fuel
	poverty

Groups provided the following feedback that has been reflected in the final drafting of the strategy where possible and will be influence delivery of future actions;

In addition to the consultation workshop the following consultation and briefing sessions were held through the strategy development;

Strategic Housing Partnership 7th July 2015 & 26th January 2016

Reports were provided to the Strategic Housing Partnership on the NICE guidelines and the developing Fuel Poverty & Affordable Warmth Strategy.

- Reports updating on strategy development and context for Brighton & Hove were presented to the Housing & New Homes Committee 23rd September 2015 and the Health & Wellbeing Board 20th October 2015
- Meeting with Brighton & Hove Food Partnership 11th January 2016

Due to the clear link between Food & Fuel and the choices some families have to make between heating and eating we are keen to ensure that strategy aligns to the work of the partnership and the Food Poverty Action Plan 2015-18.
