

# **SOUTH EAST ENGLAND COUNCILS**

## **DRAFT BUSINESS PLAN 2009/10**

**APRIL 2009**

(Updated 27.4.09)

## **INTRODUCTION**

### **The Role and Status of South East England Councils (SEEC)**

As a result of the Government's Sub National Review of Economic Development and Regeneration (SNR), changes have been made to the regional architecture, and in particular to the way in which regional planning, transport, housing and economic development functions are carried out across the English regions. The most significant changes are a new 'joint responsibility' between the Regional Development Agencies and a new body of local authority Leaders from the region to develop and sign off a single Regional Strategy. This new single strategy will replace the existing regional spatial and regional economic strategies. As a consequence of the new arrangements, the existing Regional Assemblies are also being abolished.

In the South East, the Regional Assembly (SEERA) has already been wound up and replaced by the South East England Councils (SEEC). The Development Agency and the new South East England Leaders' Board (SEELB) are working together to establish new arrangements to discharge their joint responsibilities. A new South East England Strategy Board and South East England Partnership Board form the major governance arrangements to deliver the new joint responsibilities.

SEEC has been established to represent and promote the views and interests of local government in the region. It has a wide remit, not just to provide an input into the development and implementation of the Single Regional Strategy. It will, amongst other things, ensure effective representation of local authority interests on regional, national and international bodies, will scrutinise the activities of other agencies at the regional level and will provide a forum for the consideration and determination of regional issues including strategic policies and investment priorities.

There were significant objections to the original Government consultation on SNR which proposed that unelected Regional Development Agencies should alone be responsible for signing off the strategy. Now that changes have been incorporated to make this a joint responsibility, SEEC will be able to provide the vital democratic input which properly represents all communities and residents across South East England.

### **The Status of this Business Plan**

This draft Business Plan has been prepared by the SEEC Executive Board. It will be considered for adoption at the Plenary meeting of all councils in South East on 15<sup>th</sup> July 2009.

In drawing up this Business Plan the Executive Board has recognised that the recently established arrangements for regional planning may change in the not too distant future. It has therefore endeavoured to "future proof" the work of SEEC. The Business Plan will therefore be kept under review throughout 2009/10 and may be subject to change.

## SEEC Objectives

  - a. To arrange meetings of the Plenary of Member Councils in the South East; its Leaders' Board\* and appropriate sub-committees and working groups.

## RELATIONSHIP BETWEEN SEEC AND SEEDA IN THE PREPARATION OF A REGIONAL STRATEGY FOR SOUTH EAST ENGLAND

The South East England Regional Assembly was dissolved on 31 March 2009. This resulted from the Government's plans to streamline regional working arrangements as part of its Sub-national Review (SNR) of Economic Development and Regeneration. Responsibility for regional planning now rests with a new model of joint governance by local government - in the shape of **South East England Councils (SEEC)** – and the **South East England Development Agency (SEEDA)**.

There will be a joint body to prepare a Single Regional Strategy – joining up, and building on, the Assembly's South East Plan and SEEDA's Regional Economic Strategy. SEEC and SEEDA will work closely with delivery agencies, such as the Highways Agency, and stakeholder groups.

There will be **two decision-making boards**:

- The high-level **South East England Partnership Board** comprising four SEEDA board members and eight members of South East England Leaders' Board (SEELB) – the executive committee of SEEC.

This Board will be responsible for:

- Commissioning and signing-off the Single Regional Strategy
- Signing-off the regional delivery plan
- Signing-off the annual monitoring report

This Board becomes the regional planning body until the SNR legislation is passed. During this interim period (whilst the Partnership Board is the RPB) a representative of the National Parks will be co-opted on to the Board

- The **Strategy Board** comprising:  
Members - four SEEDA Board members and eight SEELB members  
Observers - four Delivery Partners (statutory agents such as the Environment Agency) and two Stakeholders

This Board will be responsible for:

- High level steering of the Regional Strategy process and content
- The allocation of CLG funding for the regional strategy and signing-off the business plan/budget
- Integrating investment priorities
- Ensuring alignment between strategy and delivery
- Ensuring sustainable growth is at the heart of the regional strategy
- Developing a single evidence base
- Ensuring effective engagement with stakeholders and public
- Overseeing any continuing work required on implementing the South East plan

Supporting the decision-making Boards, there will be **Delivery Boards** (eg Transport Board), together with a small number of '**Working Groups**' to help steer specific aspects of the Regional Strategy and support the Strategy Board.

A group is currently considering the detail around the roles and membership of the delivery boards and the working groups, and the relationship between them.

**Stakeholders** have played an important part in the development of current regional strategies in the South East. They will continue to play an important role in the new regional strategy process at both the 'member' and 'technical' levels, but won't be part of the formal decision-making process.

The exact details of Stakeholder involvement will be agreed in the near future.
