FOR GENERAL RELEASE

1. PURPOSE OF REPORT AND POLICY CONTEXT

- 1.1 To determine an application for a Time Limited Premises Licence under the Licensing Act 2003 for The Warren.

2. RECOMMENDATIONS:

- 2.1 That the Panel determine an application for a Time Limited Premises Licence under the Licensing Act 2003 for The Warren.

3. CONTEXT/BACKGROUND INFORMATION & CONSULTATION

- 3.1 The application is for a Time Limited Premises Licence under the Licensing Act 2003. The application proposes that the premises will primarily consist of a Main House theatre/performance space in a large 'Bowler Hat' tented structure, with 3 additional bespoke theatre spaces (made from shipping containers), plus 2 bars for audience refreshment. The auditoriums will be fully seated, with the majority in a rake, and the smaller two will be primarily seated, though with flexibility to become function room spaces if required. In addition there will be a box office, various food and other concessions including a cafe, and toilet facilities on site.

The premises will run as Fringe venues, with performances taking place throughout the day by different companies and acts, with the majority of patrons likely to arrive and attend a performance and then leave afterwards, although there will also be a proportion of patrons who attend several shows in a row. The performances generally last approximately an hour each, although some shows may run for longer, and some may contain intervals. The bars are designed to cater for the audience's needs, so that they can enjoy refreshment whilst watching a show, or during intervals, as well as to the general public who want to come on site, buy food, and see what is going on. Non-alcoholic and hot beverages will be available throughout the opening times, as will prepared and pre-prepared food, ice-creams, sweets and other snacks.

3.2 Section 18 (Operating Schedule) of the application is detailed at Appendix A and the plan of the premises is attached at Appendix B.

- 3.4 Special Stress Area: The premises falls within the Special Stress Area. This area is deemed an area of special concern in terms of the levels of crime, disorder, and public nuisance experienced within them. (See paragraphs 3.2 – 3.2.4)

Representations received

- 3.5 Details of the representations made are notified to applicants on receipt by the Licensing Authority using a pro-forma. A summary appears below:
- 3.6 3 representations were received. They were received from local residents
- 3.7 Representations received had concerns relating to Prevention of Public Nuisance.
- 3.8 An agreement was reached with Sussex Police which included conditions relating Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance, Protection of Children from Harm.
- 3.9 Full details of the representations and agreement are attached at Appendix C. A map of the location of the premises and showing those representations within the locality is at Appendix D.

4. COMMENTARY ON THE LICENSING POLICY

- 4.1 The following extracts from Brighton & Hove City Council Statement of Licensing Policy are considered relevant to this application and **are numbered as they appear in the policy:**

1. Introduction

1.1 This Statement of Licensing Policy has been prepared in accordance with the provisions of the Licensing Act 2003 (the Act) and having regard to Guidance issued by the Home Office under Section 182 of the act. The licensing authority is Brighton & Hove City Council. The purpose of this statement is to promote the licensing objectives and set out a general approach to making licensing decisions. The discretion of the licensing authority in relation to applications under the act is only engaged if ‘relevant representations’ are made by other persons or responsible authorities. This policy will inform the approach to be taken when deciding applications and imposing conditions when relevant representations are received. It is also intended as a guide for applicants as to what to include in their operating schedules, always recognising that if no representations are received, the application must be granted. The licensing authority must carry out its functions with a view to promoting the licensing objectives and this policy is framed around those

objectives. Each application will be given individual consideration on its merit. The scope of this policy covers the following:

- Retail sales of alcohol;
- The supply of alcohol by or on behalf of a club, or to the order of, a member of the club;
- The provision of regulated entertainment;
- The provision of late night refreshment.

1.2 The licensing objectives are:-

- (a) Prevention of crime and disorder;
- (b) Public safety;
- (c) Prevention of public nuisance;
- (d) Protection of children from harm.

1.3 Scope

Licensing is about regulating licensable activities on licensed premises, by qualifying clubs and at temporary events. Any conditions attached to various authorisations will be focused on matters which are within the control of individual licensees and others with relevant authorisations; i.e. the premises and its vicinity. Each application will be given individual consideration on its merit. Nothing in this policy shall undermine the right of any individual to apply under the terms of the act for a variety of permissions and to have any such application considered on its individual merits. Similarly, nothing in this policy shall override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the act.

3 Special Policies and Initiatives

3.2 Special Stress Area

The map below details the area of the Brighton city centre which borders the Cumulative Impact zone at 3.1.3 and which is deemed an area of special concern in terms of the levels of crime and disorder and public nuisance experienced within it. The area recommended for further monitoring and detailed guidance within the Special Policy comprise the following as pictured below delineated in purple:

Cumulative Impact and Special Stress Area

The Special Stress Area - an area bounded by and including: the north side of Western Road, Brighton from its intersection with the west side of Holland Road northwards to its intersection with the north side of Lansdowne Road; eastwards to the junction with Furze Hill, along the north side Furze Hill to its end and then due east along Victoria Road to its junction with Montpelier Road (west side), north to where Montpelier Road joins Vernon Terrace then north to Seven Dials; north west along the west side of Dyke Road until the junction with the Old Shoreham Road, then East along the north side of Old Shoreham Road, north end of New England Road, across the north side of Preston Circus, eastwards along the north side of Viaduct Road, then at the junction with Ditchling Road, North East along the north side of Upper Lewes Road until the junction with Lewes Road; south along the Lewes Road to junction with Hartington Road, along the north side of Hartington Road until the junction with St. Helen's Road, south into May Road, eastwards until its junction with Freshfield Road, then south into Upper Bedford Street, into Bedford Street to the mean water mark south of Bedford Street, then due west until the mean water mark south of Lower Rock Gardens.

- 3.2.1 This Special Stress Area (SSA) is of concern to the licensing authority because of the relatively high levels of crime and disorder and nuisance experienced within it. The area will be kept under review.
- 3.2.2 New and varied applications for premises and club premises certificates within the SSA will not be subject to the presumption of refusal, but operators will be expected to pay special attention when drawing up their operating schedules and to make positive proposals to ensure that their operation will not add to the problems faced in these areas. Appendix A of the SoLP sets out a list of potential measures the licensing authority considers may be appropriate. These may be more or less appropriate depending upon the style of operation applied for.

3.2.3 On receipt of any application in the SSA, where a relevant representation has been made, the licensing authority will scrutinise the application carefully and will look at the measures proposed in the operating schedules and compare them to the measures set out in Appendix A, Licensing Best Practice Measures. Where discretion has been engaged, those applications which fall short may be refused or conditions applied to comply with policy measures.

3.2.4 The Licensing Authority will keep the Cumulative Impact Zone and Special Stress Area under review. Should the authority find that problems of crime and disorder or nuisance are not improving, or are worsening, the Special Policy will be reviewed.

3.3 The Matrix Approach

The Licensing Authority will support:

3.3.1 Diversity of premises: ensures that there is a mix of the different types of licensed premises and attracts a more diverse range of customers from different age groups, different communities and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This will have a positive effect in reducing people’s fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time may create opportunities for violent crime and public disorder and therefore supports: mixed use venues encouraging a wider age balance.

3.3.2 A “matrix” approach to licensing decisions has been adopted and is set out below. It provides a framework of what the licensing authority would like to see within its area and gives an indication of the likelihood of success or otherwise to investor and businesses making applications.

Matrix approach for licensing decisions in a Statement of Licensing Policy (times relates to licensable activities)

| | Cumulative Impact Area | Special Stress Area | Marina | Other Areas |
|-----------------------------|-------------------------------|----------------------------|---------------|--------------------|
| Restaurant | Yes (midnight) | Yes (midnight) | Yes | Yes (midnight) |
| Café bar | Yes (11.30) | Yes (midnight) | Yes | Yes (midnight) |
| Late Night Takeaways | No | Yes (midnight) | Yes | Yes (midnight) |
| Night Club | No | No | Yes | No |
| Pub | No | Yes (11pm) | Yes | Yes (midnight) |

| | | | | |
|---|----------------------------|----------------------------|-----|--|
| Non-alcohol lead (e.g. Theatre) | Yes (favourable) | Yes (favourable) | Yes | Yes (favourable) |
| Off-licence | No | No | Yes | Yes (Up to 11pm but if in densely residential area may be earlier – see note 7 below) |
| Members Club (club premises certificate) | Yes (<100 capacity) (11pm) | Yes (<100 capacity) (11pm) | Yes | Yes |

Notes on matrix

Subject to the following notes, the policy, as represented in the matrix, will be strictly adhered to:

- 1) Each application will be considered on individual merit
- 2) Applications within the CIZ are subject to the special policy on cumulative impact at para 3.1, and those within the special stress area to the special stress policy considerations at para 3.2.
- 3) Departure from the matrix policy is expected only in exceptional circumstances
- 4) Exceptional circumstances will not include quality of management or size of venue except where explicitly stated in policy matrix.
- 5) Exceptional circumstances may include: consultation with and meeting requirements of responsible authorities, an appropriate corporate social responsibility policy, community contribution to off set impact (such as financial contribution to infrastructure), community support, alcohol sale ancillary to business activity (demonstrable to responsible authorities and licensing authority, for instance by licence condition allowing authorised officers access to sales accounts).
- 6) The following licensing activities are encouraged and valued by the licensing authority: outdoor regulated entertainment, community based street parties, members clubs, traditional pubs outside the city centre and non-alcohol led licensable activities, particularly within city centre.
- 7) Other Areas; consideration will be given to the nature of the area and location in relation to any application. In a residential area for example the concerns of local residents will be relevant when considering applications for off-licences, pubs or café bars, especially if there is evidence of anti-social behaviour, street drinking or underage drinking. Earlier closing times may be appropriate. Regard will be had to the Public Health Framework for assessing alcohol licensing and the Street Community and Drug Activity Profile. These documents are available on the following page of our website www.brighton-hove.gov.uk/licensingact.
- 8) In an area where there are already several existing off-licences and where representations are received about negative cumulative impact on the licensing objectives of a further premises, the application may be refused on these grounds.

- 9) Outdoor events will be supported where arranged through the council's event planning process. Generally, regulated entertainment in the open air including tents and marquees should have a maximum closure hour of 2300. Earlier hours may be imposed in sensitive open spaces or near residential areas. The Licensing Authority will have regard to Noise Council guidance.

4 Prevention of Crime and Disorder

- 4.1.1 The following details and measures are intended to address the need for the prevention of crime and disorder which may be associated with licensed premises and certificated club premises. Conditions attached to licences and certificates will, as far as possible, reflect local crime reduction strategies.
- 4.1.2 The licensing authority acknowledges that training and good management play a key part in preventing alcohol and drug related crime. The authority expects that all licensees of on-licensed premises attend training programmes which will raise their awareness of the issues relating to drugs and violence in licensed premises, and that suitable training be extended to all bar staff and door supervisors so that drug dealers and users will be deterred from using licensed premises for illegal purposes and that incidents of violence in licensed premises will be reduced. Licensees are also encouraged to attend training programmes to help identify children at risk and issues of basic child protection. It is the duty of the designated premises supervisor (DPS) to train staff on induction concerning conditions on their premises licence.
- 4.1.3 It is expected that the DPS will spend a significant amount of time on the premises. When not on the premises it will be essential that the DPS is contactable, particularly should problems arise with the premises and that staff are authorised by the DPS.
- 4.1.4 The location of violent attacks, anti-social behaviour and hate crime or related incidents may be used to justify closing times.

5 Public Safety

- 5.1 The following details and measures are intended to address the need for the protection of public safety which may be associated with licensed premises and certificated club premises.
- 5.1.1 The permitted capacity is a limit on the number of persons who may be on the premises at any time, following a recommendation by the relevant fire and rescue authority under the Regulatory Reform (Fire Safety) Order 2005. For any application for a premises licence or club premises certificate for premises without an existing permitted capacity where the applicant wishes to take advantage of the special provisions set out in section 177 of the 2003 Act, the applicant should conduct their own risk assessment as to the appropriate capacity of the premises. They should send their recommendation to the fire and rescue authority which will consider it and decide what the "permitted capacity" of those premises should be.

5.1.3 Conditions may be imposed in accordance with operating schedules to protect public safety including where justified:

- (a) provision of closed-circuit television and panic buttons.
- (b) use of shatterproof drinking vessels; bottles requiring use of toughened glass or plastic should normally be required unless applicants can show exceptional reasons.
- (c) use of door supervisors, licensed by the Security Industry Authority.
- (d) requirement of a minimum of a licensed door supervisor for every 100 customers in nightclubs and large city centre pubs or as indicated by risk assessment.
- (e) occupant capacity conditions will be applied where appropriate.
- (f) the provision of designated and suitably trained first aiders.

5.1.4 Where appropriate, licence holders or their authorised representatives will submit event safety plans and operating manuals, attend Event Planning Teams or Safety Advisory Groups and similar meetings prior to large events and shall be part of Event Liaison Teams during such events. Due regard shall be had to relevant guidance and publications including, for example: HSE approved code of practice for events.

6 Prevention of Public Nuisance

6.1 The following details and measures are intended to address the need for the prevention of public nuisance which may be associated with licensed premises and certificated club premises.

6.1.1 In determining applications for new and varied licences, regard will be had to the location of premises, the type and construction of the building and the likelihood of nuisance and disturbance to the amenity of nearby residents by reason of noise from within the premises, as a result of people entering or leaving the premises or from individuals or groups of customers gathered outside (e.g. in order to smoke).

6.1.2 Applications for new licences or for the extension in size of licensed premises should not normally be granted if the premises will use amplified or live music and operate within or abutting premises containing residential accommodation except that occupied by staff of the licensed premises. A condition may be imposed on new licences that entertainment noise shall be inaudible in any residence. Noise emanating from within licensed premises should not normally be audible outside.

6.1.3 Installation of sound limiting equipment and sound insulation may be required to minimise disturbance to the amenity of nearby residents by reason of noise from the licensed premises.

- 6.1.4 Generally, regulated entertainment in the open air including tents and marquees should have a maximum closure hour of 2300. Earlier hours may be imposed in sensitive open spaces or near residential areas. The Licensing Authority will have regard to Noise Council guidance.
- 6.1.5 In determining applications for new licences or extensions in hours or terminal hours of licensed premises, regard will be had to late night public transport availability and location of taxi ranks to aid dispersal of customers.
- 6.1.6 Reasonable controls are available to all premises operators to minimise the impact of noise from customers outside. The council's Environmental Health Department has issued guidance on a number of steps that can be taken in this respect which are endorsed by this policy (see 6.2 below).

7 Protection of Children from Harm

- 7.1 The following details and measures are intended to address the need for the protection of children from harm; this includes emotional and physical harm which may be associated with licensed premises and certificated club premises (for example the exposure too early to strong language and sexual expletives, e.g. in the context of film exhibitions or where adult entertainment is provided). It is intended that the admission of children to premises holding a premises licence or club premises certificate should normally be freely allowed without restricting conditions (unless the 2003 Act itself imposes such conditions or there are good reasons to restrict entry or to exclude children completely).
- 7.2 Licensees should note the concern of the authority that drink related disorder frequently involves under 18's. To prevent illegal purchases of alcohol by such persons, all licensees should work with a suitable 'proof of age' scheme and ensure that appropriate identification is requested prior to entry and when requesting alcohol, where appropriate. Appropriate forms of identification are currently considered to be those recommended by police, trading standards officers and their partners in the Licensing Strategy Group (e.g. passport, photo driving licence or pass card).
- 7.3 It is the licensing authority's expectation that all staff responsible for the sale of intoxicating liquor receive information and advice on the licensing laws relating to children and young persons in licensed premises. Licensed premises staff are required to take reasonable steps to prevent under age sales. The licensing authority will not seek to limit the access of children to any premises unless it is necessary for the prevention of emotional or psychological harm to them. Each application will be considered on its own merit but particular areas that will give rise to concern in respect of children are to be found in section 5.3 below.
- 7.4 To reduce alcohol-induced problematic behaviour by under 18 year olds, to enforce underage purchase and drinking laws and to assist in the protection of children from harm, the licensing authority supports the following measures:-
 - a) Police should exercise powers (Confiscation of Alcohol (Young Persons) Act 1997) to remove alcohol from young people on the street

- b) Police and trading standards should implement test purchasing to reduce sales to under 18s in on and off sales licensed premises
- c) Further take-up of proof of age schemes will be promoted
- d) In-house, mystery shopper type schemes operated by local businesses will be supported
- e) Providers of events specifically catering for unaccompanied children should consider whether all staff at such events need to be DBS checked

7.5 The licensing authority will not seek to require that access to any premises is given to children at all times – under normal circumstances this will be left to the discretion of the licensee. The following areas give rise to concern in respect of children, who will normally be excluded from premises:

- where there have been convictions for serving alcohol to minors or with a reputation for underage drinking;
- with a known association with drug taking or dealing;
- where there is a strong element of gambling on the premises;
- where entertainment of an adult or sexual nature is commonly provided;
- where premises are used primarily or exclusively for the sale and consumption of alcohol and there is little or no seating for patrons.

Options may include:

- limitations on the hours when children may be present;
- age limitations (below 18);
- limitations or exclusions when certain activities are taking place;
- requirements for an accompanying adult;
- full exclusion of people under 18.

7.6 Licensees of premises giving film exhibitions will be expected to include in their operating schedules arrangements for restricting children from viewing age restricted films. Such premises will be subject to a mandatory condition requiring that access will be restricted to only those who meet the required age limit in accordance with any certificate granted by the British Board of Film Classification, or in specific cases where such certificates have not been granted, the licensing authority. The licensing authority does not intend to adopt its own system of film classification. The licensing authorities procedures for dealing with unclassified films are appended at **Appendix E of the Statement of Licensing Policy..**

7.7 Where children are expected to attend a public entertainment, appropriate adult supervision will be required to control the access and egress of children and to protect them from harm. This will normally be an adult member of staff for every 100 children. Where the entertainment is music and dancing, 2 persons, licensed by the Security Industry Authority (door supervisors) should be employed for every 100 children but will be subject to advice within the Event Safety Guide. Nothing in this policy shall seek to override child supervision requirements contained in other legislation or regulations. For exclusively under 18 events reference should be made to police guidelines (available from the Police Licensing Unit, Brighton tel. 101).

The licensing authority recognises the Director of Childrens Services as being competent to advise on matters relating to the protection of children from harm. Applicants shall copy their applications to the Director of Childrens Services in its capacity as the responsible authority. Copies should be sent care of the Police. The “What to do” booklet is a national one and can be accessed here: <http://www.brightonandhovelscb.org.uk/wp-content/uploads/What-to-do-if-a-child-is-being-abused.pdf> Probably also worth getting him to put in that if you are concerned about a child locally to contact the Multi-Agency Safeguarding Hub (MASH) on 01273 290400, or you can contact Sussex Police on 101. If they think a child is in immediate danger to dial 999.

- 7.8 Trading standards and the police undertake ongoing enforcement operations around under-age sales and test purchasing. Sussex Police, BCRP and undertake work concerning proxy purchases and counterfeit ID as part of the partnership support work with Community Safety and Trading Standards.
- 7.9 Trading standards have a programme of business support including training for local businesses to avoid under-age sales.

8 Integration of Strategies

- 8.1 The licensing authority shall secure the proper integration of this policy with local crime prevention, planning policy, transport, tourism and cultural strategies by:-
- Liaising and consulting with the Sussex Police, Community Safety Forum, Sustainability Commission representatives and following the guidance in community safety and crime and disorder strategy
 - Liaising and consulting with Public and Alcohol Programme Board
 - Liaising and consulting with the East Sussex Fire & Rescue Service
 - Liaising and consulting with the Local Strategic Partnership, Safety Advisory Group (Emergency Planning) and Equalities and Social Justice Consultation Forum
 - Liaising and consulting with the Planning authority
 - Liaising and consulting with the Highways authority
 - Liaising and consulting with local business and business associations. Having regard to any future documents issued relating to the Private Security Industry Act 2001, for example liaison or information sharing protocols
 - Liaising and consulting with the Trading Standards Team, for example with regard to test purchasing codes of practice
- 8.2 In line with statutory requirements and the Council’s Inclusion Policy, the Licensing Authority shall have due regard to the need to eliminate unlawful discrimination, and to promote equality of opportunity and positive relations between persons of diverse backgrounds, for example communities of interest such as: lesbian, gay, bisexual and transgender people; disabled people; racial and ethnic groups; religious and faith groups.
- 8.3 This policy supports the aims of the tourism strategy, recognising the benefits for the tourism economy of creating a safer and more attractive city centre and improving competitiveness with other European cities. The Licensing Committee

should receive any reports relevant to the needs of the local tourist economy and the cultural strategy for the area to ensure that it considers these matters.

- 8.4 The Licensing Committee should receive relevant information relating to the employment situation of the area and the need for new investment and employment where appropriate.
- 8.5 Specific conditions may be attached to premises licences to reflect local crime prevention strategies. Such conditions may include the use of closed circuit television cameras, use of the NightSafe radio system or accredited scheme, the provision and use of shatterproof drinking receptacles, drugs and weapons search policy, the use of registered door supervisors, specialised lighting requirements, hours of opening. Certificates issued to club premises shall reflect local crime prevention strategies and may include any or all of the requirements listed above.
- 8.6 The licensing authority will have regard to the need to disperse people quickly and safely from the city centre to avoid concentrations which may produce disorder and disturbance.

APPENDIX A – Licensing Best Practice Measures

Best Practice Measures to be included for consideration, in particular in SSA:

Matters that would normally be expected in operating schedules:

- the adoption of a policy (e.g. Challenge 25) with acceptable proof of id as per existing Statement of Licensing Policy
- all off sales to be made in sealed containers for consumption away from the premises
- a smoking policy which includes an assessment of noise and litter created by premises users
- the use of plastic or polycarbonate drinking vessels and containers, especially in outside areas or after specified hours
- a policy in relation to searching customers and for drugs, weapons, seized or lost and found property
- use of a refusals book for registering attempts to buy alcohol by underage persons or refusals to those intoxicated
- the installation of a digital CCTV system by liaison with, and to a standard approved by, Sussex Police
- policies for dispersal of customers which may include signage regarding taxi services' telephone numbers and advice to respect neighbours and minimize noise

Items to which positive consideration would be given:

- membership of Business Crime Reduction Partnership, Pubwatch, Neighbourhood Watch or similar schemes
- use of 'NightSafe' radio system or similar accredited scheme

- regular training and reminders for staff in respect of licensing legislation, policies and procedures; records of which should be properly recorded and available for inspection
- records of regular checks of all parts of the premises in relation to drug use
- systems in place to ensure details of barred clients are exchanged with other operators
- giving an agreed minimum notice of special events (screening of major sports events, birthday parties, adult entertainment, etc.) to relevant authorities and use of appropriate additional measures at such events

Recommend best practice for both on and off premises

- Staff must be aware of the risk of the problem of proxy sales and offer assistance to responsible authorities to deter offences
- Signage on premises should set out legal duties
- Voluntary restriction of high strength alcohol – operating schedules may be used to limit high ABV beers and ciders
- Staff training – in addition to personal licence holders training, staff must be adequately trained for duties
- Challenge 25 would be the norm, particularly in the off licence trade
- Signage – proxy sale – deterrence

5. FINANCIAL & OTHER IMPLICATIONS:

Financial Implications:

- 5.1 The Licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

Finance Officer Consulted Monica Brooks

Date: 11/01/18

Legal Implications:

- 5.2 The licensing authority must act to promote the four licensing objectives which are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of public nuisance
 - The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

Lawyer Consulted: Rebecca Sidell

Date: 11/01/18

Equalities Implications:

- 5.3 Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

Sustainability Implications:

- 5.4 Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.
