

### **Council-Led Actions to Support the Framework**

In contributing to the jointly developed priorities and actions articulated in the Framework, Brighton & Hove City Council will:

1. Seek investment / funding opportunities to support the delivery of the aims of the Cultural Framework and in doing so coordinate round table meetings to develop applications with appropriate stakeholders.
2. Review commissioning models at BHCC to align with the priorities of the Framework - *Rethinking Our Place* work strand.
3. Ensure that the *Rethinking Our Place* work strand links explicitly to the established neighbourhood action plans & arrangements
4. Lead on the development of an events strategy in partnership with relevant stakeholders, linked to better use of public spaces - The Brighton Experience work strand.
5. Lead on the development of a public art and public realm strategy in partnership with relevant stakeholders- The Brighton Experience work strand.
6. Lead on the development of a Heritage Strategy, in partnership with relevant stakeholders - The Brighton Experience work strand.
7. Commission and deliver initiatives and projects (within agreed resources) where necessary to the effective delivery of the work strands.
8. Deliver a programme of “creative provocations” in partnership with University of Brighton, to maintain a public dialogue concerning cultural development.
9. Support the Arts & Creative Industries Commission to deliver an annual Summit to review progress of the Framework with all interested parties.
10. Create an annual report on progress following the annual cultural summit, to be presented to the Tourism, Development & Culture Committee.
11. Provide administrative support for the governance structure linked to the Cultural Framework delivery, including organising and servicing meetings (within agreed resources).
12. Collate all the information on a website accessible to all. [www.cultureinourcity.com](http://www.cultureinourcity.com)
