Section 1: Overview:

Does this section:

Capture our local vision and principles and summarise where we are now on our journey to deliver the 5 'essential features' of a Children's Trust?

Accurately identify our high level opportunities and challenges and propose credible/deliverable strategic improvement priorities to address them (also see Section 3)?

Provide the right high level performance indicators/targets to enable the Board to track the progress and impact of the plan?

Accurately summarise our ambitions and the outcomes we want to achieve?

Section 2: Needs Analysis:

Does this section:

Provide the right information about the city and the needs of particular groups of children and young people – and is it accurate and consistent with other analyses?

Summarise the consultation you were involved in?

Give the information you need in the Report Cards – and is the format helpful?

Section 3: Delivery Plan:

Does this section:

Accurately summarise how the partnership delivers our overall vision through connected strategies and business planning processes?

Prove an accurate map of city wide plans and strategies?

Set out Strategic Improvement Priorities and the delivery initiatives to achieve them that are convincing and capture what we want to do as a partnership during the life of our second CYPP?

Section 4: Resources and Performance:

Does this section:

Provide an accurate statement of resources to deliver our vision and the priorities in this plan?

Describe suitable leadership and performance management arrangements to deliver and monitor the plan?
