3. PETITIONS

3. (i) Brighton Community Workshop Project – Garry Meyer

To receive the following petition signed by 106 people at the time of publication:

"We the undersigned petition Brighton & Hove Council to provide a space for the Brighton Community Workshop Project to use as a space to create, and as a space to house a tool library.

The Tool Library and Community Workshop would be fantastic examples of how a shared or circular economy can work and Brighton & Hove City Council says it wants to embrace ideas like this.

There is currently no community run facility available for a Tool Library or

Community Workshop so that traditional crafts can be practiced, learnt and taught.

This space or facility should be useable by the Brighton Community Workshop Project as a Workshop Space and Tool Library Space at least by 1st April 2020 and by the latest date of May 31st 2020. This space should be made available on a lease of at least two years and the rent should be either free or a peppercorn rent”
