

NOTICE OF MOTION**HISTORIC MOTORING EVENTS ON MADEIRA DRIVE****LABOUR GROUP AMENDMENT**

To amend the motion as shown below in ***bold italics*** by deleting point (2).

This council resolves to:

- (1) Recognise the huge financial and cultural contribution to the local tourist economy of the many motoring events that take place in the city and on Madeira Drive in particular;
- ~~(2) Note that there is no evidence to suggest that motoring events cause any more or less pollution or lead to the release of any more or less carbon than other events with similar spectator numbers;~~
- (3) Recommends to ETS Committee that any post-Covid changes to the layout of Madeira Drive do not prevent historic motoring events from taking place; and
- (4) Recommends to TECC Committee that urgent confirmation is given that historic motoring events will be given permission to take place.

Proposed by: Cllr Appich

Seconded by: Cllr Evans

Motion if carried to read:

This council resolves to:

- (1) Recognise the huge financial and cultural contribution to the local tourist economy of the many motoring events that take place in the city and on Madeira Drive in particular;
- (2) Recommends to ETS Committee that any post-Covid changes to the layout of Madeira Drive do not prevent historic motoring events from taking place; and
- (3) Recommends to TECC Committee that urgent confirmation is given that historic motoring events will be given permission to take place.
