Recovery & Renewal Programme Plan												
	2020				2021							
	JUL	AUG	SEP	ОСТ	NOV	DEC	JAN	FEB	MAR	APR	MAY	JUN
Children & Young People												
Review lessons learned from response phase												
Task and finish groups conduct 'stop, start, continue' exercise												
Working group reviews outputs from 'stop, start, continue' exercise												
Ongoing readiness to respond to new outbreak												
Customer												
Develop action plan around response to and opportunities arising from Covid												
Services take forward corporate approach to customers												
Customer Experience Team work on cross-cutting priorities identified by CEDG												
Regular meetings of Customer Experience Steering Group												
Crime & Community Safety/Cohesion												
Review of Community Safety Strategy & action plans												
Encourage further information sharing between partners												
Demand led review to assure response to increased levels of anti social behaviour												
Employment & Skills												
Monitor skills deficits in the city, and ensure skills training is on offer to encourage local take-up.												
BHCC to review Adult Learning, work with other providers in the city to create an effective programme												
Continue to support alternative ways of learning e.g. online classes and virtual delivery of lessons												
Ensure student confidence in the city as a Covid-secure environment with safe transport options												
Events & Economy												
Ensure effective crowd management in key locations across the city												
Explore opportunities to make the best use of funding already allocated to the city												
Enable city's cultural institutions to find new ways to function												
Liaise with businesses to learn about best practice about individual businesses' outbreak plans												
Safer Public Spaces												
Provide range of physical measures and guidance to businesses to help facilitate social distancing												
Enhance cycle lanes and footways on key strategic routes around the city												
Consider the impact of large arranged and unarranged use of public spaces in the city												
Homelessness & Housing												
Procure/Secure longer-term accommodation for Homeless & Rough Sleepers												
Move emergency accomodation residents into suitable longer term accommodation												
Decant residents of Brighton with health needs and underlying conditions into alternative accommodation.												
Secure accomodation for additional units as and when required												
Public Health												
Complete and publicise Local Outbreak Plan
