

PLANNING COMMITTEE LIST
COUNCILLOR REPRESENTATION

Cllr. Lizzie Deane
BH2020/01548 – 23 Trafalgar Street

29th June 2020:

I write in my capacity of ward councillor in support of local residents and the North Laine Community Association in their objection to this planning application.

The previous application relating to this premises was refused by Planning Committee and I ask that this one is refused under delegated powers.

Should officers be minded to grant I would ask that it again comes before Planning Committee for debate and decision by elected Members.
