In addition to the original operating schedule the applicant has proposed the following extra conditions (via an email on 14.12.20):-

1. The premises will operate as a café between the hours of 09:00 and 19:00 hours. In order to ensure the premises will not run as a public bar, we would like to insert the following conditions to this effect:

- The sale of intoxicating liquor and other beverages shall be waiter/waitress service for consumption by persons seated at tables.
- Substantial food shall be available at all times.

2. The premises will operate as a restaurant between the hours of 19:00 and the terminal hour on each day. To this end we would like to include the following conditions to the operating schedule, effective from 19:00 hours each day.

- Intoxicating liquor shall not be supplied or sold on the premises otherwise than to persons taking table meals there and for the consumption by such a person as an ancillary to their meal. There will be no vertical drinking.
- The sale and supply of alcohol for consumption off the premises shall be restricted to an area licensed by the Local Authority for use of the public highway as shown on the plan deposited and such area shall be defined by a physical barrier acceptable to the licensing authority.

To note (from the applicant):- For clarity the hours will be as follows:

Café condition from 09:00 – 19:00 hours

Restaurant condition from 19:00 – 23:00 Sunday to Thursday and until 00:00 Friday and Saturday - and also until 01:00 on Xmas Eve and NYE.

The Opening Hours would remain with a half an hour 'drinking up time'.

The applicant recognises that the premises falls within the Brighton Cumulative Impact Area, but believe that due to the hours of trading applied for, and the robust conditions offered in the application, and this email, these premises are an exception to the policy, and so will not compromise any of the Licensing Objectives. The premises is not seeking to operate as a public bar, but is focusing on a food led business, with alcohol sold as ancillary to food, and always with substantial food available.
