Specifically with reference to the addition of off-sales we would operate a policy of a team member attending the highway licensed section at least every 20 minutes (whilst frequented by customers) and have an SIA registered door supervisor present during the closure of the highways licensed section (19.00) on Fridays and Saturdays. The removal of the area at 19.00 in itself would be the most significant step to achieving the licensing objectives.

b) The prevention of crime and disorder

As above

c) Public safety

As above

d) The prevention of public nuisance

As above

e) The protection of children from harm

No children under the age of 18 permitted in the highways licensed area unless accompanied by, and under the control of, a supervising adult.
