3. (i) TRO on Sydney Street– Jeff Scott

To receive the following petition signed by 15 people at the time of publication:

We the undersigned call upon Brighton & Hove Council to reject the TRO week day closure of Sydney Street & to re-institute restricted access that operated for the past decade & to restore the only North-South through route through the North Laine for cyclists [Sydney Street is officially on National Cycle Network route 20], disabled road users & delivery vehicles during weekday shop/office opening hours [10.00-18.00 M-F]. If TRO is approved, then the street should be shared use/access (as on New Road) & stop using barrier during weekdays.
