

Dear,

We would like to apologise for the formatting of the Area Panel Residents Questions. Normally the 3-star items would be listed first in the papers for each area and then the 2-star questions. Unfortunately, the 3-star and 2-star items are all mixed up. We can assure you that the right items are in your papers, but they are not in the right order. It is a technical hitch which we will look to remedy for this next round. We hope that it will not cause too much inconvenience.

All the best,

The Community Engagement Team
