

PLANNING COMMITTEE	Agenda Item 74 Brighton and Hove City Council
---------------------------	---

Question received from Phillipa Hodge
BADGE

“Our Accessible City Strategy has now commenced, but it is in the very early phase. In the meantime, can disabled people in the city trust our Council to enforce businesses’ compliance with policies SA6 & CP5 of the city plan, Building Regulations Part M (Access to Buildings) and the Equality Act 2010 by using the full weight of the Law, swiftly and decisively, on any businesses, regardless of stature, should they fail to comply with imposed planning conditions within the stated time limit?”
