

PLANNING COMMITTEE LIST
COUNCILLOR REPRESENTATION

Cllr. Steph Powell
BH2021/04478 – 141 Elm Grove

27th January 2022:

I object to the amendment to BH2021/04478: 141 Elm Grove. My reasons are that would see the ground floor living space converted into a sixth bedroom. This makes the dwelling an HMO even bigger, in an already densely populated area, will put pressure on amenities, and will add to noise for those living in adjacent properties.
