

APPENDIX F

Top Triangle Parking Consultation

Background

Following Environment, Transport & Sustainability Committee approval on 16 November 2021, it was agreed to consult with residents and businesses in the Top Triangle area to find out if there was support to move these roads from Zone V (Full Scheme Monday to Sunday, 9am-8pm) into Zone S (Light touch - Monday to Friday 11am to noon and 6 to 7pm).

If there is support for a change this would be advertised on a future traffic regulation order allowing residents a further opportunity to comment on whether they are happy with the proposals.

Headline Findings

- The consultation received a response rate of 56%
- 100 (67%) respondents support the proposal to change to Zone S (Monday – Friday 11am-Noon 6-7pm)
- 49 (33%) respondents would prefer to remain in Zone V (Monday – Sunday 9am-8pm)

Methodology

In June 2022, the council wrote to 266 property addresses within the boundaries of the Top Triangle. Respondents were invited to complete a postal questionnaire with a prepaid reply envelope. 149 (56%) responses were received. The consultation ran from 10 June 2022 to 30 June 2022.

Results on a street by street basis were as follows:

Street	Number properties mailed	Number responses	Response rate %	Zone S		Zone V	
				Number	%	Number	%
Arnold Street	74	37	50	20	54	17	46
Baxter Street	37	23	62	21	91	2	9
