The following written questions have been received from Members
This Committee:

(1) Councillor Childs – Swimming for Under 18s

The Council offer free swimming to resident under 18s in the City, but in reality access is severely restricted after school due to priority being given to private swimming lessons at these times. What action will the Council take to ensure that private swimming lessons do not prevent access to under 18s after school for drop in swims and what will they do to increase open swims for under 18s in term time after school?
