Road	Object/Support	Comment
Southover Street	Support	Will improve the road being free of motor vehicles
Glendale Road	Support	Safeer spaces for all, especially children
Vere Road	Object	Safety and wellbeing of neighbours, and those who need disabled access
		Traffic will increase after hours
Graham crescent	Object	Will be unable to attend the Komedia and other cafes/ shops
Gardner Street	Support	Disabled bays aren't used often
	Support	Change of proposed hours to allow for rubbish collection
		Additional loading bay for Church street
Malkaussa Chuash	Current	
Melbourne Street	Support	Gardner Street would benefit from the proposed changes
		Environmental considerations
Uckfield	Support	More seating for cafes in Gardner St
		Will improve the area with no traffic
Mackie Avenue	Support	More roads should be car free in central Brighton
Addison Road	Support	Excellent proposal for making walking and cycling
Weston Super Mare	Object	Disabled resident requires access at all times
		Difficult to visit the street
Stanford Avenue	Support	Will improve air quality
Upper Hollingdean Road	Support	Better for the many cafes and food retailers,
		will be a safer and better environment
Langridge Drive	Object	Will restrict disabled access using the area and amenities
	Object	Will leave disabled residents who require 24 hour vehicle access restricted
White Charact	C	
High Street	Support	Will improve the area for many local businesses and more covid friendly dining
		A more pleasant environment with less emissions
Gardner street	Support	Better as a pedestrianised street
		More room for tabled and chairs
Gardner Street	Support	Better opportunity for cafes to have more seating outside and no vehicles during operational hours
BADGE	Object	
Lovers Walk	Object	Knows a disabled resident who needs access 24 hours a day
Albert Road	Support	Tables and chairs can be put out in the street
, abere nodu	Support	Will make a huge difference to trading and the vibe of the street
Fact Crimet and	Ohiast	
East Grinstead	Object	Unable to visit friends who reside on the street
		Flexibility is required for those who reside in the street
	Object	Unfairly harm disabled people live in Brighton & Hove
Brewer Street	Object	Poses an ethical threat to those with disabilities
Vere Road	Object	Blue badge holders wont be able to access the street outside the hours of restriction
		Consultation is limited
		Harder for disabled people to access the street from encroachment from businesses
St Georges Road	Object	the basis in gardener street are vital for the use of the street
Rose Hill Close	1 -	
Rose Hill Close	Support	Improve pedestrian safety & disabled access
		Improve opportunities for local and independent retailers
		Improved access for all.
Stanley Street	Support	Great idea for traders, visitors and locals
,	Support	
Thornhill Avenue	Support	The street is better and safer being traffic free

		Will support businesses
	-	Will give greater outside seating options
Clayton Road	Support	Safer on foot
		More enjoyable to sit outside without traffic and fumes
Gardner Street	Object	Bays are fine in current location
		BB holders can currently park on DYL Residents will become housebound
Beaconsfield Villas	Support	Will be safer for pedestrians when fully pedestrianised
Wellbeck Avenue	Object	Knows a disabled resident who needs access 24 hours a day
Horton Road	Support	It will improve trade
noncon nodu	Support	Cars using the road is inconvenient for peds
Upper Hollingdean Road	Support	Better safety and improved air quality
- FF		Creation of DPB is better for residents and visitors foe better access
Rodmell Avenue	Support	need more spaces on the road and should be like Sydney St
Portland Road	Object	Removal of DPB is wrong,
	-	Requires access to the North Laine, regent St isn't accessible
Montague Place	Object	Will make this difficult for at least two residents and would impact on their lives as they require 24 hour access
		Impossible for disabled visitors to access the area.
North Road	Support	Will help preserve the unique vibe of the North Laine
		Will benefit local businesses by allowing them to expand out
		Will encourage better footfall in the area
Lansdowne Place	Support	Extended seating areas for cafes
Gardner Street	Object	Use the bays for accessing the Komedia and amenities in the area
Rugy Place	Object	Removal of bas in Gardner St will result in disadvantage to BB holders
		Regent St already has double yellow lines to park on
Kemp Street	Support	Expanding pedestrian roads in North Laine will benefit residents and visitors
Development of Devel	Current 1	Improve air quality and safety
Brunswick Road	Support	Safer and more comfortable for pedestrians
Overhill Gardens	Support	Traffic free would mean more seating for cafes North Laine is a tourist hotspot, creating it into a safer space
		Street is often bust with pedestrians not looking where they are going, vehicle free would make this safer foot them
Palmeira Avenue	Support	To reduce traffic pollution
Gardner Street	Support	Increased space for the businesses is essential
	Support	Increased space for pedestrians is essential
		Supporting independent businesses is essential
Queens Park Road	Support	Will bring an uplift to the area and local businesses
Gardner Street	Support	Residents and businesses have been campaigning for over 20 years for this to happen
		This is essential for business in the city to survive
	Support	Will benefit and support local businesses
Dawson Avenue	Support	Less pollution
		Safer Street
Vere Road	Object	Will affect residents who require 24 hour vehicle access
		Traffic will increase after hours
Richmond Road	Support	
Windmill Street	Object	Lack of accessibility for BB holders
	Object	Knows a disabled resident who needs access 24 hours a day
Milner Road	Support	Will increase public safety in the area
		Reduce emission from vehicles
		Improve trading for cafes with better outdoor seating
Shoreham by Sea	Object	Improve trading for cafes with better outdoor seating Parking difficult in surrounding streets
		Improve trading for cafes with better outdoor seating Parking difficult in surrounding streets Will prevent access to Tichbourne Street

Marine Square	Support	Reduced pollution, congestion and accidents
		Improve accessibility for residents and visitors
		Improved outdoor seating
Lewes	Object	Residents who needs access to their front door is required
-		Relocation of DPBs are too far away
Albion Hill	Support	More of Brighton to be pedestrianised
West Hill Street	Support	Will help the small businesses
		Should be 11am - 3pm to allow deliveries
Beaconsfield Road	Object	Knows a disabled resident who needs access 24 hours a day
Coronation street	Support	Improved environment for pedestrians
Us of a Decid	C	Enable more tables and stalls making a nicer atmosphere
Hampden Road Tenantry Down Road	Support Support	Will create a better shopping area in the North Laine area No need for traffic in the area
Tenantry Down Road	Support	Much nicer at weekends when the closure is in place
Chanctonbury Road	Support	Road is suitable for pedestrianisation
chanceons ary notad	Support	Would allow businesses room to expand
Osborne Road	Support	More pedestrianised areas in Brighton
		Cafes can have tables and chairs on street
Bentham Road	Support	Support the restrictions to make the area more enjoyable
		Less noise and pollution
Harrington Villas	Support	Support the proposal to limit motor vehicles
		Less air and noise pollution
		would prefer cycles to be persuaded to "Walk"
The Brow	Support	More outdoor seating would benefit the businesses
Gardner Street	Support	No traffic during the previous TRO made the street much nicer
White Street	Support	Will boost the safety and make the area more accessible
Newmarket Terrace	Support	Brighton needs more steps to become less car focused
Selbourne Road	Object	Does not support rights of the disabled
Caledonian Road	Object	Bays are used to access the Komedia
Gardner street	Support	
Shaftesbury Road	Support	Will support small businesses and reduce traffic
Evelyn Terrace	Support	Would benefit shops and restaurants and make the area more enjoyable Will improve the street for pedestrians
Heath Hill Avenue St Georges Road	Support Support	Will improve the street for pedestrians will make the road safer
St Georges Road	Support	Will allow a nicer area for businesses to expand the seating
Eaton Gardens	Object	Bays are required to access the facilities
Laton Gardens	Object	Provision if DPBs is poor
		Regent Street is too far
Stirling Place	Object	Disabled resident who needs access 24 hours a day
		TRO isn't accessible to all
		Prevents use of the Komedia and other amenities
		Weekend access should be included
Bevendean Crescent	Support	Gardner Street would benefit from the proposed changes
	Support	Reduce emissions
	Support	Reduce emissions Support smaller businesses
	Support Support	
		Support smaller businesses
Franklin Road	Support Support	Support smaller businesses Support smaller businesses
