

Appendix 6: examples of bin and box storage

Bins and boxes can be stored in the space beyond the shallow wall.

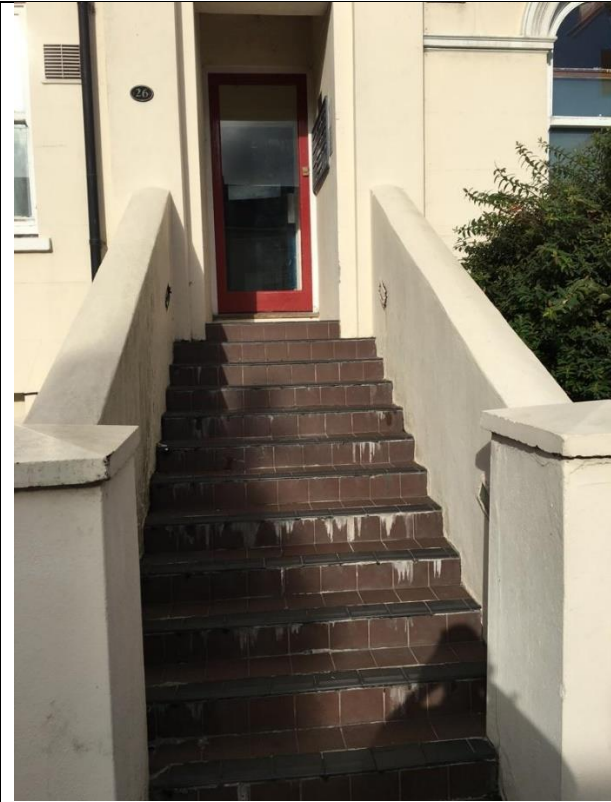

Bins and boxes can be stored in the space at the front.

Bins and boxes can be stored in the space beyond the shallow wall.

Bins can be stored behind the gate – there is a wider front area.

Too many stairs and not enough space. Bins and boxes will have to be neatly stored on the pavement.

Not enough space to store. Bins and boxes will have to be neatly stored on the pavement.
