

# Brighton & Hove City Council

## Environment, Transport & Sustainability Committee

## Agenda Item 49

**Subject:** Air Quality Action Plan 2022 Consultation Results  
Labour Group Amendment

**Date of meeting:** 15 November 2022

That the relevant changes are made to the recommendations as shown below in strikethrough and ***bold italics***:

### Recommendations

- 2.1 That the committee welcomes the inclusion of more ambitious targets in the Air Quality Action Plan for the protection of human health, which will work towards World Health Organisation guidelines (2021).
- 2.2 That the committee approves the 2022 Air Quality Action Plan in Appendix 2 of this report.
- 2.3 That the committee welcomes the continued work and investment to develop an expanded Ultra-low Emission Zone for the city.
- 2.4 That the committee requests officers ~~research further how to prioritise~~ the development and delivery of a citywide Smoke Control Area ~~to~~ ***could*** help tackle the harmful effects of particulate matter ***in the areas where there is currently no Smoke Control Area, and that officers ensure that advice is provided to residents on the council website on how best to manage solid fuel heating where they do have it to supplement heating, including referring people to the East Sussex Fire and Rescue Service for a free home visit if they have concerns.***
- 2.5 The committee welcomes the promotion of active travel and public transport as means to reduce emissions and improve local air quality.

Proposed by: Cllr Appich

Seconded by: Cllr Wilkinson

### Recommendations to read, if carried:

- 2.1 That the committee welcomes the inclusion of more ambitious targets in the Air Quality Action Plan for the protection of human health, which will work towards World Health Organisation guidelines (2021).
- 2.2 That the committee approves the 2022 Air Quality Action Plan in Appendix 2 of this report.

- 2.3 That the committee welcomes the continued work and investment to develop an expanded Ultra-low Emission Zone for the city.
- 2.4 That the committee requests officers research further how the development and delivery of a citywide Smoke Control Area could help tackle the harmful effects of particulate matter in the areas where there is currently no Smoke Control Area, and that officers ensure that advice is provided to residents on the council website on how best to manage solid fuel heating where they do have it to supplement heating, including referring people to the East Sussex Fire and Rescue Service for a free home visit if they have concerns.
- 2.5 The committee welcomes the promotion of active travel and public transport as means to reduce emissions and improve local air quality.
