### Notice of Motion

### Conservative Group

This committee:

- 1) Recognises the financial strain that many residents are currently experiencing;
- 2) Notes that Council Fees and Charges in many cases contribute to this strain;
- 3) Further notes that the Council's Fees and Charges have risen excessively compared to surrounding local authorities; and
- 4) Calls on Officers to highlight the Fees and Charges which compare unfavourably with those of surrounding authorities in their reports so that this information can be considered by Committees when setting future Fees & Charges.
