Resident Question

Title of Question	Anti-Social Behaviour
Issue:	Anti-social behaviour is an on-going and significant issue with life-changing repercussions for many residents. It needs proper discussion at Area Panel.
Background:	Anti-social behaviour was raised by Central Residents at the October Area Panel (ref: C3.1) This was a 3-star item, circulated to all Areas. It was not discussed at West Area Panel, despite a written request from a resident.
Action requested by residents:	Request an agenda item and discussion on anti-social behaviour at the December West Area Panel. This needs to allow enough time for residents' contributions and should not just be a written response.
