

# Brighton & Hove City Council

## Environment, Transport & Sustainability Committee

## Agenda Item 68

**Subject:** Electric Vehicle Charging Point Update  
Labour Group Amendment

**Date of meeting:** 17 January 2023

That the relevant changes are made to the recommendations as shown below in strikethrough and ***bold italics***:

### Recommendations:

- 2.1 That Committee notes the submission of further successful bids for funding for electric vehicle charge points from central government and progress in expanding the charging network as well as the growth in demand and charging activity.
- 2.2 That Committee delegates authority to the Executive Director for Economy Environment and Culture to take all steps necessary to procure and award a new concession contract – ***following a briefing to the Procurement Advisory Board before the specification and award criteria are finalised to enable members to comment on the proposed approach*** – subdivided into three lots for the supply, installation, maintenance and operation of electric vehicle charge points for a term of ten years, ***and requests annual reports back to this committee on progress in expanding the electric vehicle charging infrastructure.***
- 2.3 That Committee delegates authority to the Executive Director for Economy Environment and Culture to approve an extension to the contract referred to in 2.2 above for a period of up to five years following the initial ten-year term, subject to satisfactory performance by the concessionaire(s) ***and following a briefing to the Procurement Advisory Board.***

**Proposed by:** Cllr Platts

**Seconded by:** Cllr Wilkinson

### Recommendations as amended:

- 2.1 That Committee notes the submission of further successful bids for funding for electric vehicle charge points from central government and progress in expanding the charging network as well as the growth in demand and charging activity.
- 2.2 That Committee delegates authority to the Executive Director for Economy Environment and Culture to take all steps necessary to procure and award a new concession contract – following a briefing to the Procurement Advisory

Board before the specification and award criteria are finalised to enable members to comment on the proposed approach – subdivided into three lots for the supply, installation, maintenance and operation of electric vehicle charge points for a term of ten years, and requests annual reports back to this committee on progress in expanding the electric vehicle charging infrastructure.

- 2.3 That Committee delegates authority to the Executive Director for Economy Environment and Culture to approve an extension to the contract referred to in 2.2 above for a period of up to five years following the initial ten-year term, subject to satisfactory performance by the concessionaire(s) and following a briefing to the Procurement Advisory Board.
