Recommendations:

- 2.1 That Committee notes the contents of the report.
- 2.2 That Committee ~~agrees to the introduction of charging at public toilets~~ ***does not*** ~~but agrees that insourcing of the contract for cleaning and maintaining public toilets has failed and that this is the principal reason for proposals to close public toilets and to introduce charging in line with the principles set out in paragraph 3.27~~
- 2.3 ***That Committees agrees that accountability was regularly mentioned as a reason for insourcing (the Leader of the Council specifically said that he preferred to 'bring public toilets back in-house to ensure we have direct management and better accountability') and expresses concern as to where accountability now sits;***
