- 6 outreach days
- 3 meetings with the council
- 3 branch meetings

600 responses!

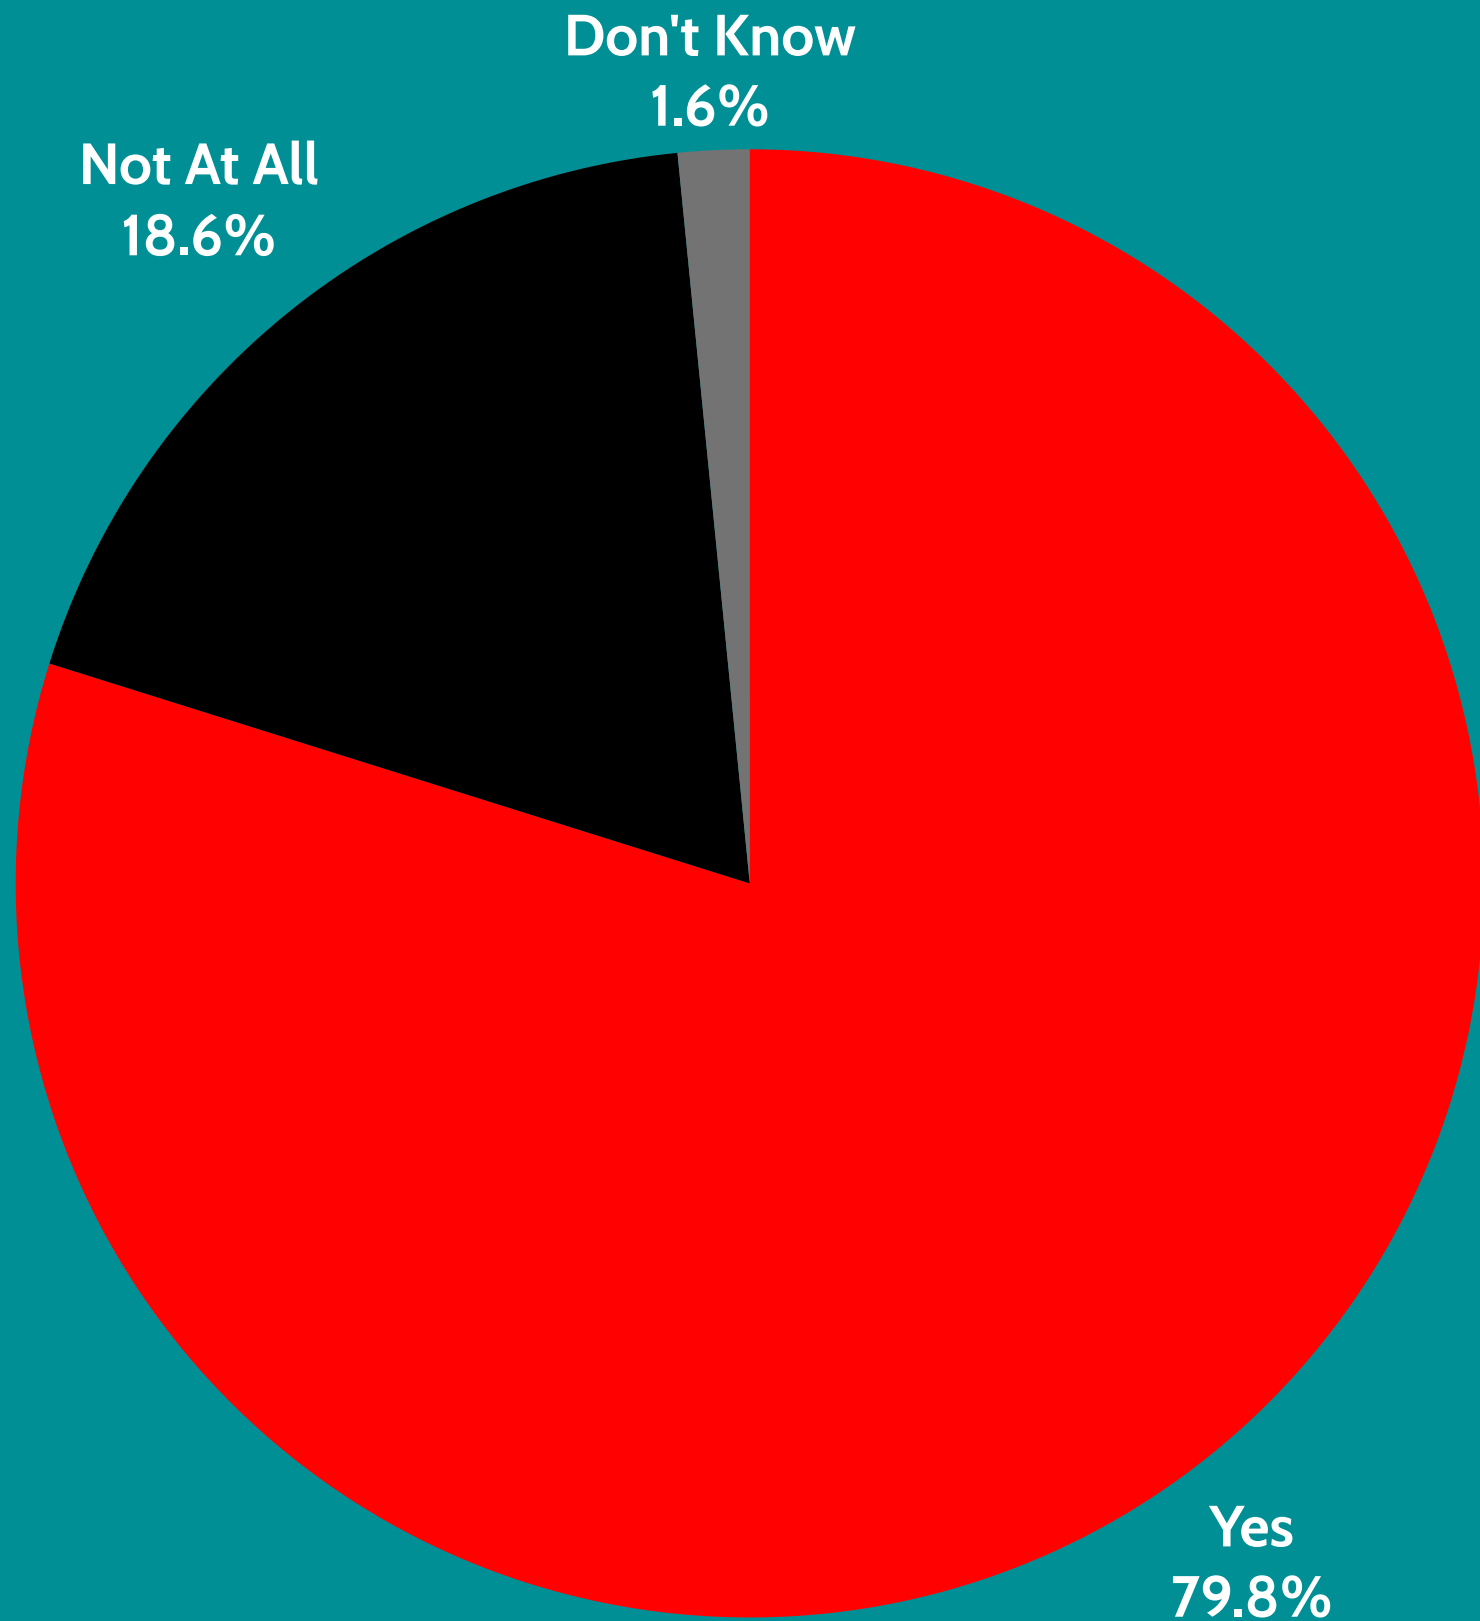

Have you lived in private rented accommodation in the last 12 months?

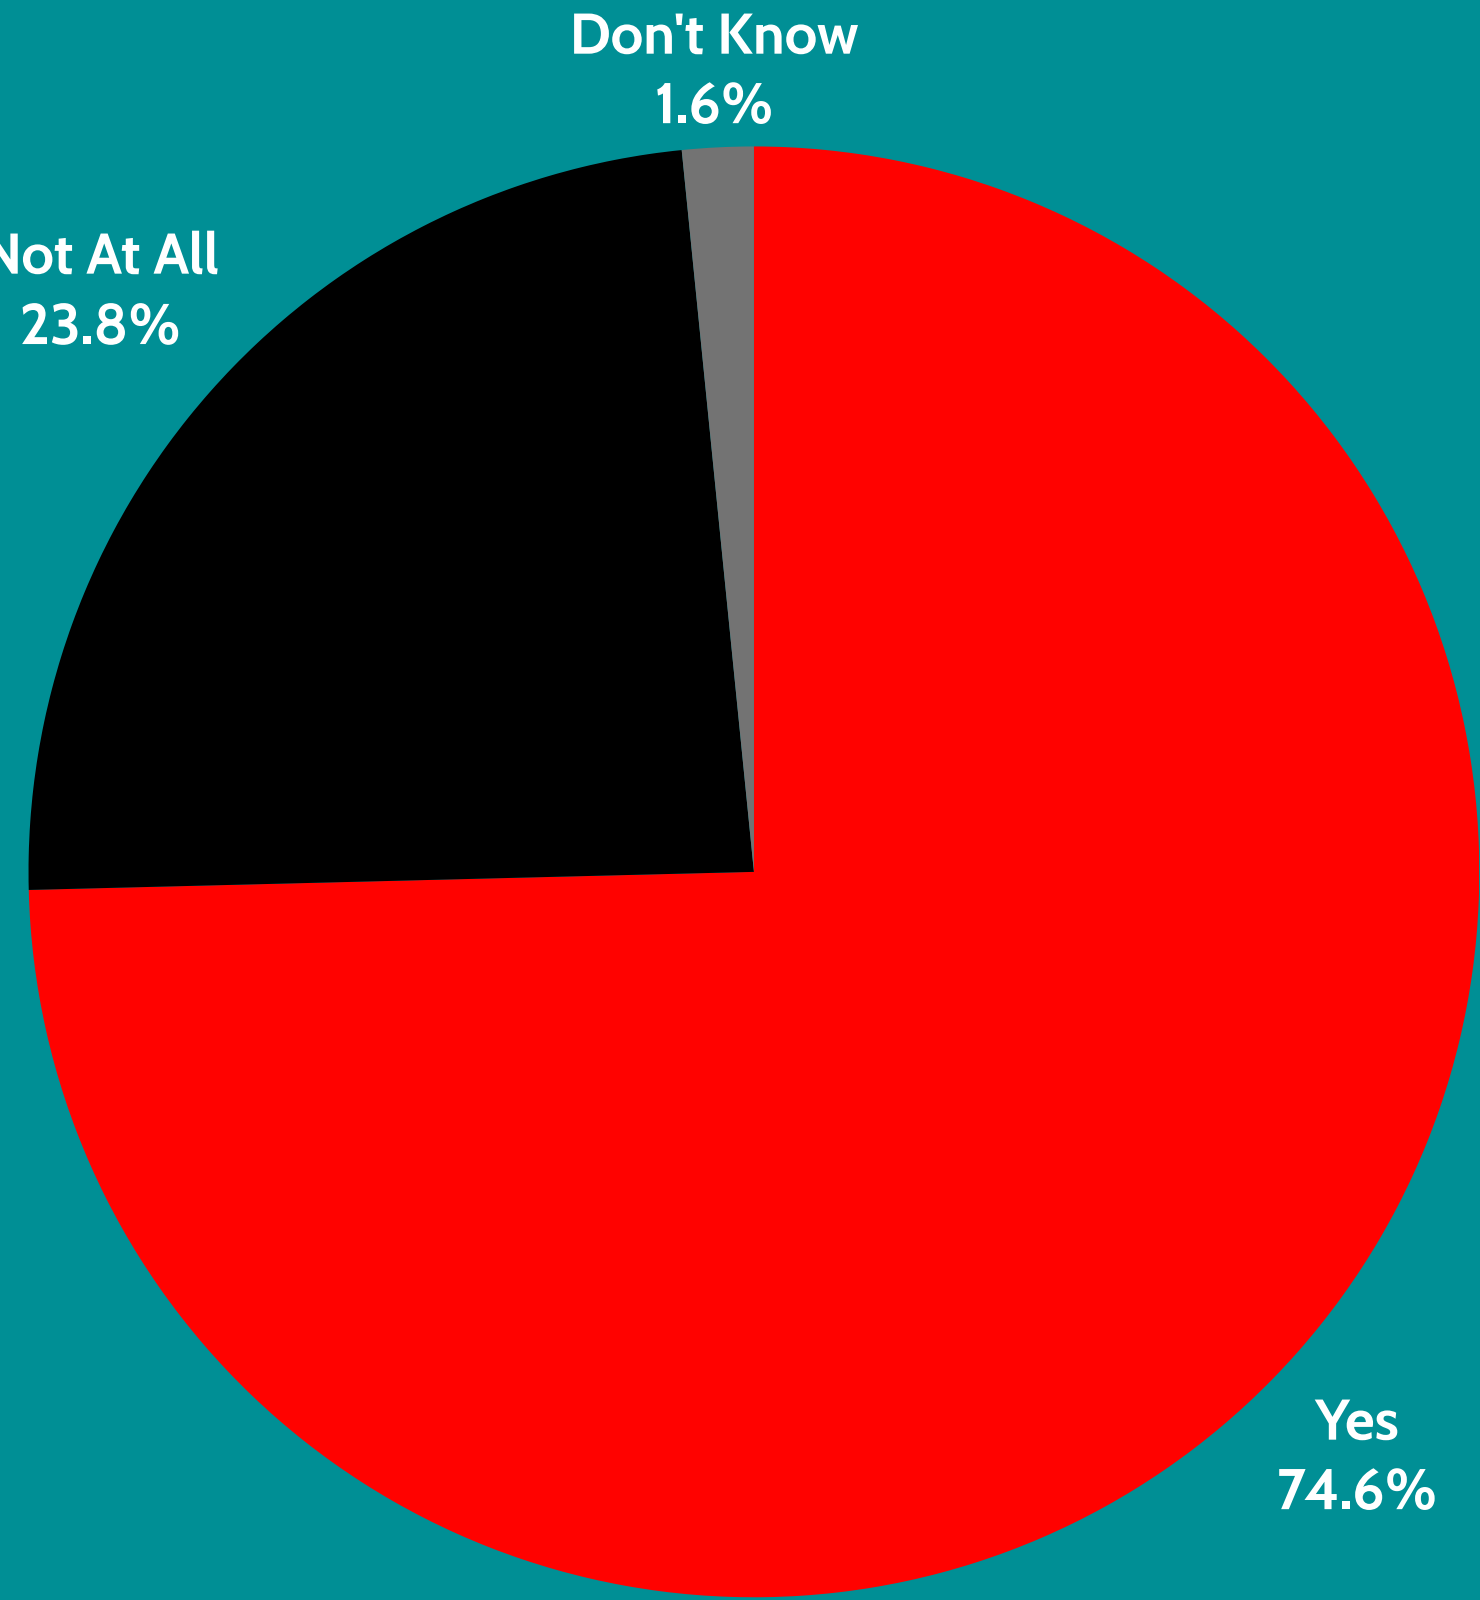

Are you responding to this questionnaire as:

Has your health been affected by renting?

Has your safety been affected by renting?

Testimonies

-Without winter heating for 6 months then a gas leak

-Severe and recurring black mould in the bedroom and bathroom, black mould discovered behind kitchen cabinets - definitely affects my sinuses

-Large levels of black mould, complained and landlord just painted over it

-Infant son developed a lung infection from black mould
