

**Brighton & Hove  
City Council**

## Members Training Schedule

Our intention is to offer training every 6 months, starting from the date of agreement. Members will be offered one day with 2 sessions taking place on that day, and ensuring this date is coordinated with the Corporate Dairy.

The training sessions will be run by either Jeanette Walsh (Head of Development Control) or Paul Vidler (Development Control Manager) supported by our Senior Planning Lawyer and the Head of Planning Policy.
