Dear Dr Wilkinson,

### FORMAL COMPLAINT

I wish to make a formal standards complaint about Councillor Jason Kitcat.

Cllr Kitcat has posted on his 'Channel' on the video sharing website You Tube videos of Cllr Mary Mears and Cllr Geoffrey Theobald answering questions at council meetings. (I have attached a screen shot of the offending webpage for your information.)

I accept that the videos are webcast and available online through the council website. However I feel strongly that Cllr Kitcat has breached the council's code of conduct and copy write by putting these videos on You Tube with out the prior knowledge or express permission of either councillor.

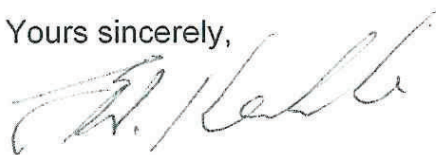

The link to Cllr Kitcat You Tube Channel is  
<http://www.youtube.com/jpkitcat?gl=GB&hl=en-GB>

Cllr Kitcat also links a You Tube video of Cllr Theobald asking a question on communal bins on his website: <http://www.free-project.org>

What Cllr Kitcat has done is a clear breach of trust and an abuse of the council's facilities.

He has failed to treat his fellow councillors with the respect they deserve by using their image and their video without their express permission. and do so in an underhanded and devious manner.

Yours sincerely,

Councillor Ted Kemble
