

WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public who either lives or works in the area of the authority.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public.

(a) Ms Stephanie Powell

"Can you tell us at what date, at the VERY latest, will we see the service specification and the equalities impact assessment for the Connexions service? Uncertainty is resulting in confusion amongst young people, their parents and carers, and the general public. It is also causing stress to staff."
