WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC

A period of not more than fifteen minutes shall be allowed for questions submitted by a member of the public who either lives or works in the area of the authority at each ordinary meeting of the Council.

Every question shall be put and answered without discussion, but the person to whom a question has been put may decline to answer. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion.

The following written question has been received from members of the public.

(a) Sian Attwood

“I regularly walk my children to school and I have noticed a much increased traffic flow along Carlton Hill in recent months since the Amex building was erected. My concern is that the proposed changes outlined for Edward Street/Eastern Road will force more traffic along smaller back routes including Carlton Hill and Sussex Street.

Please can you let me know if there are any plans for traffic speed calming on the roads surrounding Carlton Hill Primary school and Tarnerland day nursery).

Also, if you propose to put a crossing in place to help the many families of small children who use these roads to get to school”
