* the main measures used by DCSF for pupils achieving English & maths are 5 A* to C with GCSE English & maths, and 5 A* to G with English & maths at level 1, not necessarily GCSE ** includes Entry Level Qualifications

NB: Progress figures are based on Brighton & Hove KS3 data & other results from the National Pupil Database, but will not be as comprehensive as the data on RAISEonline There are no 3 levels progress figures for maths, as it is not possible for all pupils to make 3 levels progress (level 8 at KS3 to A* at GCSE is 2 levels of progress)
