ROM Issue:	Keeping vulnerable adults safe from harm and abuse	Responsible Officer:	Denise D'Souza
		Risk Code:	SR13

**Identified** Keeping vulnerable adults safe from harm and abuse is a responsibility of the council. Brighton & Hove City Council has a statutory duty to co-ordinate safeguarding work across the city and the Safeguarding Adults Board. This work links partnerships across the Police and Health and Social Care providers. Over 1400 concerns were raised last year about vulnerable people with over 1,000 going into investigation.

**Potential Conseq** Due to a national legal judgement in early 2014 on Deprivation of Liberty Safeguards (DoLS) the council has seen a significant increase in requests for Best Interest Assessments (BIAs); numbers have increased significantly testing the council's capacity to deliver. Generally cases are more complex and demands can vary. The council is able to respond appropriately at a time of change to protect those most vulnerable.

<b>ROM Issue:</b>	Implementation of the Care Act	<b>Responsible Officer:</b>	Denise D'Souza

ROM Issue:	Better Care Fund	Responsible Officer:	Denise D'Souza
		Risk Code:	SR20

**Identified** The changes to funding for Adult Social Care was introduced by the Better Care Fund and affect how the whole system of social care, across the public and private sectors, works together and how funding is agreed.

**Potential Conseq** The impact of funding changes of Better Care Fund combine with already significant changes to the NHS still being worked through with a submission to the NHS due in on 19 September 2014. This needs to deliver more integrated care and show real improvement in Accident & Emergency (A&E) performance.

If parties do not work together as agreed, or organisation's priorities change, it will affect delivery of performance targets in relation to the Better Care Fund. Any failure of delivery will impact on the Acute Trusts' costs and our ability to release efficiency savings to create new services.
