#### Exemptions

Licensing authorities will have the discretion to offer an exemption from the levy to the following categories of premises and schemes:

- Premises with overnight accommodation. This exemption is not applicable to any premises who serve alcohol to members of the public who are not staying overnight at the premises such as a bar which can be accessed by the general public. Officers suggest that an exemption is NOT offered. Hotels that serve alcohol to members of the public who are not staying at the premises will contribute towards the problems in the night time economy. Need to check that all 24 hours hotels are to public as well as guests, not just guests.
- Theatres and cinemas there are 5 in B&H

- Bingo halls: 2 x 1.00 Band E in B&H = 2986.00
- Community Amateur Sports Clubs (CASCs): none
- Community premises none in B&H within midnight 0600
- Country village pubs: none
- Business Improvement Districts (BIDs): 38 Premises in the current BID area could be exempted £37,295 to be deducted from calculated income
- New Year's Eve: Licensing authorities can offer an exemption from the levy for holders in relation to premises which have a late night authorisation by virtue of their being permitted to supply alcohol for consumption on the premises on 1<sup>st</sup> January in every year. Officers suggest that an exemption IS offered to premises which only have a late night authorisation for New Years Eve. Calculations have not been made for any premises authorised for New Years Eve only.

## Reductions of the levy

Licensing authorities may wish to use the late night levy to promote and support participation by premises in other business-led best practice schemes. Licensing authorities can decide, when considering the levy design, if holders whose premises participate in such schemes should benefit from a reduction to the amount they are required to pay under the levy. Eligible premises will receive a 30% reduction from the levy. 188 premises are currently BCRP members and eligible to be included in the LNL. They could be given a reduction in levy costs of up to 30% which would mean £58404.90 would be deducted from expected income.
