

Subject: Petitions
Date of Meeting: 9 October 2018
Report of: Monitoring Officer
Contact Officer: Name: John Peel Tel: 01273 291058
E-mail: john.peel@brighton-hove.gov.uk
Wards Affected: Various

FOR GENERAL RELEASE

1. SUMMARY AND POLICY CONTEXT:

- 1.1 To receive any petitions from Members submitted directly to Democratic Services or an e-Petition submitted via the council's website.

2. RECOMMENDATIONS:

- 2.2 That the Committee responds to the petition either by noting it or writing to the petition organiser setting out the Council's views, or where it is considered more appropriate, calls for an officer report on the matter which may give consideration to a range of options, including the following:

- taking the action requested in the petition
- considering the petition at a council meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- calling a referendum

3. PETITIONS

3. (i) New road layout around Blatchington Windmill - Councillor Janio

To receive the following petition signed by 132 people:

"A new road layout around Blatchington Windmill - Traffic flow around Blatchington Windmill is dangerous. We are requesting the Administration to please consider installing a new traffic layout in the area that is urgently required to alleviate the problems".

3. (ii) Traffic around Hangelton Primary School - Councillor Janio

To receive a petition signed by 125 people:

“We the undersigned demand that the Administration take urgent action to reduce the dangerous traffic situation around Hangleton Primary School during school pickup and drop-off times. Measures could include CCTV Systems and the use of PSPO’s”.

3. (iii) Traffic around Goldstone School - Councillor Janio

To receive a petition signed by 186 people:

“We the undersigned demand that the Administration take urgent action to reduce the dangerous traffic situation at Goldstone School during school pickup and drop-off times. Measures could include CCTV Systems and the use of PSPO’s”
