3. PETITIONS

3. (i) Relocation of KSD Environmental Ltd– Councillor Yates

To receive the following petition referred from the meeting of Full Council and signed by 1200 -1300 people:

"We, the undersigned have serious concerns about the location of the existing waste and recycling depot, operated by KSD Environmental Ltd.

The position of the business adjacent to a school crossing, a number of residential properties, a church and a busy intersection with a major route into the city, is causing major problems for both traffic and pedestrians. Only recently, a child narrowly avoided being seriously injured by an HGV at the site and there have been several incidents involving vehicle collisions and near misses.

In our opinions, there is a very real likelihood of a serious or fatal accident occurring in the near future and it is time that the business relocate to a more suitable site.
